SCHEDULE A

1. Completion Date. The Purchaser will pay the balance of the Purchase Price, as adjusted in accordance with this Contract, by way of a SOLICITOR'S CERTIFIED TRUST CHEQUE or BANK DRAFT by NO LATER THAN 2:00 p.m. on the completion date (the "**Completion Date**"), which will be the date identified by written notice given by the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's solicitors/notary (the "**Purchaser's Solicitors**") as a date on which the Strata Lot is or will be ready to be occupied, provided the Vendor or the Vendor's Solicitors will give not less than 10 days' notice thereof. Whether the Strata Lot is ready to be occupied refers to the Strata Lot and not any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if (i) the City of Revelstoke (the "**City**") has given permission to occupy the Strata Lot, whether such permission is temporary, conditional or final and (ii) the applicable land title office (the "**LTO**") has issued a separate title for the Strata Lot. If the Completion Date is a Saturday, Sunday, statutory holiday or a day upon which the LTO is not open for business, the Completion Date will be the immediate following day on which the LTO is open for business. The notice of the Completion Date given by the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitors may be based on the Vendor's estimate as to when the Strata Lot will be ready to be occupied. If the Strata Lot is not ready to be occupied on the Completion Date so established, then the Vendor may delay the Completion Date from time to time as required, by written notice of such delay to the Purchaser or the Purchaser's Solicitors. If the Completion Date has not occurred by December 31, 2026 (the "**Outside Date**"), then this Contract will terminate on the Outside Date, the Deposit will be returned to the Purchaser and the parties will be released from all of their obligations hereunder, provided that:

- (a) if the Vendor is delayed from completing construction of the Strata Lot as a result of epidemic, pandemic, earthquake, flood or other act of God, fire, explosion, terrorism or accident, howsoever caused, act of any governmental authority, strike, lockout, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the reasonable control of the Vendor, then the Vendor may, at its option, exercisable by written notice to the Purchaser, in addition to any extension pursuant to subsection 1(b) and whether or not any extension described in subsection 1(b) has been exercised, elect to extend the Outside Date by a period equivalent to such period of delay; and
- (b) the Vendor may, at its option, exercisable by written notice to the Purchaser, in addition to any extension pursuant to subsection 1(a) and whether or not any extension described in subsection 1(a) has been exercised, elect to extend the Outside Date for up to 120 days.

The Purchaser acknowledges that the estimated date range for completion of construction set out in the Disclosure Statement has been provided by the Vendor as a matter of convenience only, is not meant to be legally binding upon the Vendor and that the actual Completion Date will be established in the manner set out above.

2. Conveyance. The Purchaser will cause the Purchaser's Solicitors to prepare and deliver to the Vendor's Solicitors at least five days prior to the Completion Date a statement of adjustments and a Freehold Transfer (the "**Transfer**") for the Strata Lot. The Vendor will execute and deliver, or cause to be executed and delivered, the Transfer and the statement of adjustments to the Purchaser's Solicitors on or before the Completion Date on the condition that, forthwith upon the Purchaser's Solicitors obtaining a post registration index search from the LTO indicating that, in the ordinary course of LTO procedure, the Purchaser will become the registered owner of the Strata Lot (subject only to the Permitted Encumbrances and charges for which the Purchaser is responsible), the Purchaser will cause payment of the adjusted balance of the Purchase Price due on the Completion Date to be made by the Purchaser's Solicitors to the Vendor's Solicitors. The transfer of the Strata Lot will also be subject to the Vendor's financing arranged in connection with the Development or any builders' lien claims provided that the Vendor's Solicitors undertake to clear title to the Strata Lot of all encumbrances related to such financing and such builders' liens claims within a reasonable period of time after receiving the balance of the Purchase Price due on the Completion Date. The Purchaser acknowledges that the Vendor's financing may remain as a charge against the common property of the Development until the Vendor has completed the sale of the balance of the strata lots in the Development whereupon the Vendor covenants such financing will be discharged entirely.

If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the Purchase Price on the Completion Date, may wait to pay the Purchase Price to the Vendor until after the Transfer and new mortgage documents have been lodged for registration in the LTO, but only if, before such lodging, the Purchaser has: (a) made available for tender to the Vendor that portion of the Purchase Price not secured by the new mortgage; and (b) fulfilled all the new mortgagee's conditions for funding except lodging the mortgage for registration; and (c) made available to the Vendor a solicitor's or notary's undertaking to pay the Purchase Price upon the lodging of the Transfer and new mortgage documents and the advance by the mortgagee of the mortgage proceeds.

INITIALS	

3. Deposit. The Deposit will be dealt with as follows:

- (a) The Deposit, or any portion thereof, when received, will be deposited by the Vendor's Solicitors in an interest bearing trust account with the interest to accrue to the benefit of the Vendor.
- (b) The Vendor and the Purchaser agree that the total amount of the Deposit (including all portions thereof, whether paid or unpaid) together with interest thereon constitutes a genuine pre-estimate of the damages the Vendor will suffer as a result of the Purchaser's failure to pay any portion of the Deposit when required hereunder or failure to complete the purchase of the Strata Lot in default of its obligations hereunder. If the Purchaser fails to pay any portion of the Deposit when required hereunder or fails to complete the purchase of the Strata Lot in default of his/her/its/their obligations hereunder, then subject to section 7(b) of this Schedule A, the Vendor may elect to terminate this Contract and, in such event, the portion of the Deposit that has been paid together with interest thereon will be absolutely forfeited to the Vendor as liquidated damages, without prejudice to any other remedy which the Vendor may have in respect of the Purchaser's default including, without limitation, the right of the Vendor to pursue the Purchaser for any unpaid balance of the Deposit and to seek additional damages.
- (c) If the Vendor fails to complete the sale of the Strata Lot, then the Deposit paid will be paid to the Purchaser, together with any interest earned thereon, as the Purchaser's sole and exclusive remedy in accordance with section 8.

The Purchaser acknowledges that any payment made by the Purchaser that is returned for non-sufficient funds will be subject to a service charge equal to the amount charged by the applicable financial institution. The Purchaser acknowledges that the Vendor may appoint replacement solicitors for the Vendor's Solicitors and/or cause the Deposit paid and subsequent payments on account of the Deposit to be transferred to the trust account of such replacement solicitors or another trustee (as defined in REDMA), in either case upon written notice to the Purchaser.

Notwithstanding the foregoing, the Purchaser acknowledges and agrees that, in accordance with Section 19 of REDMA, the Vendor may enter into a deposit protection contract (the "**Deposit Protection Contract**") with an approved insurer, pursuant to which the deposits paid by purchasers of strata lots in the Development, including the Deposit, are insured and, as such, may be released by the Vendor's Solicitors, in whole or in part, to the Vendor and the Vendor may use such deposits for purposes related to the Development, including without limitation, the construction and marketing of the Development in accordance with the provisions of REDMA. Upon the release of the Deposit or any portion thereof to the Vendor in accordance with the Deposit Protection Contract, the provisions of this Contract will be deemed to have been amended accordingly. The Purchaser acknowledges that from and after the release of the Deposit or any portion thereof pursuant to a Deposit Protection Contract, no further interest will be earned on the amount so released.

4. Possession, Risk and Adjustment. The Purchaser will assume all taxes, rates, local improvement assessments, water rates and scavenging rates, assessments of the strata corporation (the "**Strata Corporation**") of which the Strata Lot forms a part, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot, including an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the Strata Corporation, will be made as of the Completion Date. The Strata Lot will be at the risk of the Vendor to and including the day preceding the Completion Date, and thereafter at the risk of the Purchaser. So long as the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot have been paid in full, the Purchaser may have possession of the Strata Lot on the day following the Completion Date (the "**Possession Date**").

The Purchaser is responsible for all utility charges as of the Possession Date and must ensure that he/she/it notifies the necessary utility companies to have the utilities transferred into his/her/its/their name on the Possession Date. In the event the Purchaser does not transfer the utilities into his/her/its/their name as of the Possession Date, any charges to the Vendor that should be the Purchaser's responsibility will be paid to the Vendor in full within five Business Days (as defined in section 28 of this Schedule A) after notification thereof from the Vendor. If said amount is not paid within the five Business Day period, then an initial charge of \$50.00, plus a further charge of \$50.00 each month thereafter, will be applied to the outstanding amount until such amount and such charges are paid in full by the Purchaser.

5. Builders' Lien Holdback. That portion, if any, of the balance of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid to the Vendor's Solicitors on the Completion Date. The Lien Holdback will be held in trust for the Purchaser pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in

INITIALS	

the LTO in connection with work done at the behest of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor (or as directed by the Vendor), on the earlier of (i) the date on which the time for filing a claim of lien under the *Builders Lien Act* (British Columbia) expires; and (ii) the date which is 55 days after the date that the balance of the Purchase Price becomes due as aforesaid, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claim filed against the Strata Lot of which the Purchaser or the Purchaser's Solicitors notify the Vendor's Solicitors in writing by 1:00 p.m. on that day. The Purchaser hereby authorizes the Vendor and the Vendor's Solicitors to do all things necessary to discharge any builders' liens, including bringing court proceedings in the name of the Purchaser, provided that any such proceedings will be at the sole expense of the Vendor.

6. Vendor's Condition Precedent. The obligation of the Vendor to complete the sale of the Strata Lot is subject to the Vendor obtaining construction financing in respect of Phase 1 that is satisfactory to the Vendor in its sole, absolute and unfettered discretion on or before December 19, 2023.

The foregoing condition is for the exclusive benefit of the Vendor and may be waived by the Vendor at any time on or prior to the time set forth for satisfaction of the same. The condition will be deemed to have been waived within the time set forth if the Purchaser has not received, within seven (7) days following the date on which such condition is to be satisfied, notification from the Vendor that such condition has not been satisfied or waived. In the event the Vendor provides notice within such seven (7) day period that such condition is not waived or satisfied, this Contract will be terminated, whereupon the Deposit will be forthwith returned to the Purchaser without deduction, and this Contract will thereupon be null and void, and of no further force or effect, and the Vendor will not be liable for any costs or damages suffered by the Purchaser as a result of or in connection with this Contract or as a direct or indirect result of its termination. In consideration of the amount of \$1.00 now paid by the Vendor to the Purchaser, the receipt and sufficiency of which is hereby acknowledged by the Purchaser, this Contract is irrevocable by the Purchaser notwithstanding the foregoing condition precedent.

7. Time is of The Essence/Purchaser Default. Time will be of the essence hereof. If the Purchaser fails to make any payment on account of the Purchase Price (including, without limitation, any portion of the Deposit or the balance of the Purchase Price), together with adjustments thereto as provided herein, when due or fails to pay any other amount payable hereunder when due, then the Vendor may, at its option:

- (a) terminate this Contract by written notice to the Purchaser and, in such event, the portion of the Deposit that has been paid and all interest accrued thereon will be absolutely forfeited to the Vendor as liquidated damages, the parties agreeing that the total amount of the Deposit (including all portions thereof, whether paid or unpaid) together with interest thereon constitutes a genuine pre-estimate of the damages the Vendor will suffer as a result of the Purchaser's failure to pay, when due, any payment on account of the Purchase Price, together with adjustments thereto as provided herein, or any other amounts payable hereunder, without prejudice to the Vendor's other remedies including, without limitation, the right of the Vendor to pursue the Purchaser for any unpaid balance of the Deposit and to seek additional damages and, subject to the provisions of REDMA, the Vendor's Solicitors are hereby irrevocably authorized and directed by the Purchaser to pay the amount held by them and such interest as may have accrued thereon to the Vendor upon written demand therefor by the Vendor; or
- (b) elect to extend the date for payment or the Completion Date, as applicable, to a certain date determined by the Vendor, time to remain of the essence hereof and subject to the Vendor's right in its sole discretion, to grant further extensions to a certain date each time, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price, interest on the unpaid portion of the Purchase Price and other unpaid amounts payable hereunder at the rate of 2% per month (26.82% per annum), calculated daily and compounded monthly not in advance, from the date upon which such portion and amounts were due to the date upon which such portion and amounts are paid.

The Vendor may cancel this Contract pursuant to subsection 7(a) of this Schedule A or grant one or more further extensions pursuant to subsection 7(b) of this Schedule A, at any time after extending the date for payment or the Completion Date, as the case may be, pursuant to subsection 7(b) of this Schedule A if the Purchaser fails to make such payment or complete the purchase of the Strata Lot, as the case may be, in accordance with this Contract on or before such extended date.

8. Vendor's Default. Notwithstanding anything else contained herein, the Purchaser acknowledges and agrees that any and all claims, whether in contract or tort, which the Purchaser has or hereafter may have against the Vendor in any way arising out of, or related to, the Strata Lot or the Vendor's obligations and covenants pursuant to this Contract will be limited to the amount paid by the Purchaser on account of the Deposit. The Purchaser acknowledges and agrees

INITIALS	

that if the Vendor fails to complete the sale of the Strata Lot in default of its obligations hereunder, then the Deposit will be repaid to the Purchaser as liquidated damages as the Purchaser's sole and exclusive remedy and the Purchaser will have no further claims whatsoever against the Vendor in respect of such default and the Vendor will have no further obligations or liabilities whatsoever hereunder, and the Purchaser hereby releases and discharges the Vendor from any claim beyond the amount of the Deposit. The Purchaser acknowledges and agrees that the Vendor will not be liable for any damages or costs whatsoever beyond the amount of the Deposit which may be incurred by the Purchaser resulting from any such failure including, without limiting the generality of the foregoing, relocation costs, professional fees and disbursements, opportunity costs, loss of bargain, damages and/or costs resulting from hardship or any other damages or costs incurred by the Purchaser, directly or indirectly, as a result of the Vendor's default.

9. **Entire Contract/Representations.** The Purchaser acknowledges and agrees that this Contract constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts, expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, including, without limitation, arising out of any sales brochures, models, websites, social media, blogs, Twitter, Facebook, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for his/her/its/their viewing other than those contained herein and in the Disclosure Statement. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floor plans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

10. **Construction.**

(a) The Vendor will cause the Strata Lot to be constructed and completed in a good and workmanlike manner substantially in accordance with the plans and specifications (the "**Plans and Specifications**") for the Development prepared by the Vendor's architect(s) for the Development (the "**Architect**") subject to any changes required by the City. The Vendor may make alterations to the features, design and layout of the Strata Lot which are desirable in the reasonable discretion of the Vendor and may use materials other than as prescribed in the Plans and Specifications if they are reasonably similar to what is prescribed. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The Purchaser is aware that the preliminary strata plan (the "**Preliminary Plan**") for the phase of the Development in which the Strata Lot is located, a copy of which Preliminary Plan is attached to the Disclosure Statement in Exhibit A, is based on architectural drawings and measurements. The actual size, dimensions and/or configuration of the Strata Lot including any balcony, patio or deck, as set forth in the final strata plan (the "**Final Strata Plan**") for the phase of the Development in which the Strata Lot is located may vary from what is depicted on the Preliminary Plan. The areas and dimensions of the strata lots (including the Strata Lot) in the Development set out in the marketing materials referred to in section 9 of this Schedule A, including balconies, patios and decks, are approximate, based on architectural drawings and provided for reference purposes only, and are not represented as being the actual final areas and dimensions. The Vendor represents and warrants that the actual area of the Strata Lot, as set forth in the Final Strata Plan, will be no more than 3% smaller than indicated in the Disclosure Statement when both measurements are calculated in accordance with the *Strata Property Act* (British Columbia). If the Strata Lot is more than 3% smaller, then the Purchase Price will be reduced by a percentage equal to the number of percent (rounded to the nearest one-hundredth of a percentage point) by which the Strata Lot is more than 3% smaller and for greater certainty, the foregoing will be the Purchaser's sole remedy in respect thereof.

(b) The Purchaser acknowledges that the Development will include service facilities and equipment required in connection therewith such as transformers, fire hydrants, vents, ducts, fans and other such facilities and equipment (the "**Service Facilities**"). The Service Facilities will be located within the Development as required by the City or recommended by the Vendor's consultants. The Purchaser acknowledges that the current plans for the Development may not indicate the location of all the Service Facilities and that the Vendor reserves the right to relocate, add or delete all or a portion of the Service Facilities as deemed necessary by the Vendor, without compensation to the Purchaser.

(c) The Purchaser will make the selection of colour scheme, materials and optional items (to the extent the Vendor permits such selection to be made) and pay any additional costs therefor, promptly when requested to do so by the Vendor. If the Purchaser fails to do so, the Vendor may make any such selection and the Purchaser will be bound thereby and will pay any additional costs associated with such selection.

INITIALS	

- (d) Due to the natural variation of colour and texture in any wood, stone, granite, and dye lots of any tile, carpet and other components of the Strata Lot and the fact that the colour of natural products (especially wood) will change over time, the finishes of any wood, granite, tile, stone, carpet and other components of the Strata Lot may differ from the colour, grain, vein, pattern, size, stain resistance and textures shown in the display unit or any samples provided to or viewed by the Purchaser. In addition, even within the Strata Lot, the textures, colours and finishes may vary for the same reasons. The variations are inherent characteristics which cannot be fully controlled and any such variations will not in any event be considered or deemed to be deficiencies in the Strata Lot.
- (e) The Purchaser acknowledges and agrees that the ceiling heights of all strata lots in the Development may vary from floor to floor and may have areas of the ceilings dropped down from the typical height of the ceilings in order to accommodate construction requirements including, but not limited to, mechanical, electrical equipment, ducting, ventilation systems, plumbing and structural requirements.

11. Purchaser Acknowledgements. The Purchaser acknowledges and agrees that:

- (a) the Deposit payment (or portion thereof) that is paid will not begin to bear interest until after it is deposited into the Vendor's Solicitors' trust account which may, in the Vendor's discretion, be after the expiry of all statutory rescission periods;
- (b) the municipal address(es) of the Development, the suite and strata lot number assigned to the Strata Lot and the number assigned to the floor in the Development on which the Strata Lot is located are subject to change as determined by the Vendor or the City;
- (c) the Completion Date may be any day up to and including the Outside Date, as extended pursuant to subsection 1(a) and 1(b) of this Schedule A and the Purchaser releases the Vendor and its affiliates from any actions, causes of action, costs, claims, demands and liabilities arising as a result of the date on which the Completion Date occurs;
- (d) in the event of any discrepancy between the strata lot number and suite number set out on page 1 of this Contract, the Strata Lot is the strata lot labelled on the Preliminary Plan with the strata lot number set out on page 1 of this Contract, as the same may change as contemplated in subsection 11(b);
- (e) the parking stalls and storage lockers in the Development, including any parking stall(s) and storage locker(s) to which the Purchaser is entitled hereunder, if any, will vary in size, shape and convenience of location, and the parking stalls and storage lockers in the Development, including any parking stall(s) and storage locker(s) to which the Purchaser is entitled hereunder, if any, may be partially obstructed by columns, pipes, ducts, mechanical equipment, electrical equipment and other facilities, and the Purchaser will accept any parking stall(s) and storage locker(s) to which the Purchaser is entitled hereunder, if any, on an "as is, where is" basis and will have no claim against the Vendor in respect of any variation in the size, shape or convenience of location of such parking stall(s) and / or storage locker(s) or any partial obstruction of such parking stall(s) and / or storage locker(s);
- (f) the Strata Lot forms a part of a phased development and the Purchaser understands and accepts that the Purchaser may be inconvenienced by ongoing construction activities relating to other phase(s) of the Development which may, from time to time, result in noise, vibrations, odours, dirt, dust and such other irritants that are associated with construction projects similar to the Development; and
- (g) it has read and understood the summary of the legal notations, covenants, easements, statutory rights of way and other encumbrances that are described in subsections 4.3 and 4.4 of the Disclosure Statement.

12. Inspection. The Vendor warrants that, on the Completion Date, the Strata Lot and the common property in completed phases of the Development will be registered under a third-party new home warranty provider. The Purchaser or his/her/its/their representative will have the right to inspect the Strata Lot with a representative of the Vendor at a reasonable time designated by the Vendor by written notice or by telephone prior to the Completion Date and a refusal or failure by the Purchaser to inspect the Strata Lot at such time will be deemed to be a waiver and forfeiture of such right, in which case the Purchaser will be deemed to be satisfied with and to have accepted the physical condition of the Strata Lot (including the existing kitchen, bathrooms and other installations, equipment, appliances and furnishings in the Strata Lot) on the Completion Date. At the conclusion of such inspection, the Vendor will prepare a conclusive list of any defects or deficiencies (the "Deficiencies") which are to be rectified by the Vendor. The parties will sign the list and the Purchaser will be deemed to be satisfied with and to have accepted the physical condition of the Strata Lot

INITIALS	

(including the existing kitchen, bathrooms and other installations, equipment, appliances and furnishings) subject only to the Deficiencies. If the Purchaser does not sign the Deficiencies list, the Purchaser will be deemed to be satisfied with and to have accepted the physical condition of the Strata Lot (including the existing kitchen, bathroom and other installations, equipment, appliances and furnishings). The Purchaser covenants and agrees to complete the purchase of the Strata Lot on the Completion Date on the terms and conditions herein contained notwithstanding that the Deficiencies may be rectified subsequent to the Completion Date. The Purchaser will not be allowed to have access to the Strata Lot except for this inspection prior to the Possession Date. No holdback will be made on closing in respect of the Deficiencies or other deficiencies. In the event of a disagreement between the Purchaser and the Vendor as to what constitutes a defect or deficiency, or whether or not a defect or deficiency has been rectified, the decision of the Architect or any replacement therefor appointed by the Vendor will be conclusive, final and binding on the parties. Following the Completion Date, the Purchaser agrees to provide the Vendor and its representatives, contractors and agents with access to the Strata Lot at all reasonable times on 24 hours' notice from the Vendor in order for the Vendor or its representatives, contractors or agents to rectify any outstanding Deficiencies, and the Purchaser will in no manner interfere with or impede any such person while he or she is carrying out such work.

- 13. Costs/Sales and Transfer Taxes.** The Purchaser will pay all taxes and costs in connection with the sale and purchase of the Strata Lot (including property transfer tax, any additional property transfer tax payable if the Purchaser is a foreign entity, a taxable trustee or both and any GST or any other federal or provincial sales, service, value added, transition or other tax required to be paid by the Purchaser in connection with the purchase and sale of the Strata Lot and the equipment and appliances included with the Strata Lot), other than the costs of the Vendor incurred in clearing title to the Strata Lot. Without limiting the generality of the foregoing, the Purchaser agrees that the Purchase Price does not include any applicable taxes (including GST or any other federal or provincial sales, service, value added, transition or other tax) that may be applicable to the sale of the Strata Lot (and any equipment and appliances included with it) hereunder whether levied against the Purchaser or the Vendor, all of which will be payable by the Purchaser on the Completion Date in addition to the Purchase Price.

If and to the extent required under Part IX of the *Excise Tax Act* (Canada), and subject to the foregoing, the Purchaser will remit to the Vendor on the Completion Date any GST that may be exigible under Part IX of the *Excise Tax Act* (Canada) in respect of the transaction contemplated herein, and the Vendor agrees that it will remit or otherwise account for such funds to Canada Revenue Agency ("**CRA**") in accordance with its obligations under Part IX of the *Excise Tax Act* (Canada) and the foregoing. Notwithstanding the foregoing, if the Purchaser is a corporation, trust or partnership which is registered for GST purposes and, on or before the Completion Date, the Purchaser provides the Vendor with a certificate as to the GST registered status of the Purchaser containing the Purchaser's GST registration number, the Purchaser will not be required to pay the GST to the Vendor but will be liable for, will self-assess and will remit same directly to CRA. The Purchaser will indemnify and save harmless the Vendor from and against any and all GST, penalties, costs and/or interest which may become payable by or assessed against the Vendor as a result of any failure by the Purchaser to comply with the foregoing and such indemnity will survive and not merge upon closing of the sale of the Strata Lot contemplated herein. The Purchaser acknowledges that the Vendor will have no obligation to adjust the Purchase Price to credit the Purchaser for any new housing rebate to which the Purchaser might be entitled.

14. Requirements under REDMA respecting Assignments.

- (a) In accordance with section 20.3(1) of REDMA and section 10.2(1) of the *Real Estate Development Marketing Regulation*, B.C. Reg. 505/2004 (the "**REDMA Regulation**"), the Vendor and the Purchaser agree as follows:
- (i) Without the Vendor's prior consent, any assignment of this Contract is prohibited.
 - (ii) An assignment under REDMA is a transfer of some or all of the rights, obligations and benefits under a purchase agreement made in respect of a strata lot in a development property, whether the transfer is made by the purchaser under the purchase agreement to another person or is a subsequent transfer.
 - (iii) Each proposed party to an assignment agreement must provide the Vendor with the information and records required under REDMA.
- (b) Pursuant to section 20.3(1) of REDMA and section 10.2(2) of the REDMA Regulation, the Vendor hereby gives notice to the Purchaser of the following:

INITIALS	

- (i) Before the Vendor consents to the assignment of this Contract, the Vendor will be required to collect information and records under REDMA from each proposed party to an assignment agreement, including personal information, respecting the following:
 - A. the party's identity;
 - B. the party's contact and business information; and
 - C. the terms of the assignment agreement.
- (ii) Information and records collected by the Vendor must be reported by the Vendor to the administrator designated under the *Property Transfer Tax Act*. The information and records may only be used or disclosed for tax purposes and other purposes authorized by section 20.5 of REDMA, which includes disclosure to the Canada Revenue Agency.
- (c) Without limiting anything set out in subsections 14(a) or 14(b), prior to the Vendor consenting to any assignment of this Contract, the Purchaser will cause each proposed party to an assignment agreement to give to the Vendor all information and records prescribed pursuant to section 20.3(2) of REDMA and/or section 10.3 of the REDMA Regulation (collectively, the "**Prescribed Information and Records**").
- (d) If the Vendor consents to any assignment of this Contract, the Purchaser will cause the parties to the assignment agreement to forthwith deliver to the Vendor a copy of the written and signed assignment agreement, and the Purchaser acknowledges and agrees that the Vendor may keep and use such copy of the assignment agreement for such purposes as may be required or permitted under REDMA or the REDMA Regulation.
- (e) The Purchaser acknowledges and agrees that the Vendor may, at any time and from time to time, (i) file the Prescribed Information and Records, as well as any other information and records regarding the Purchaser, any assignee or proposed assignee of this Contract and/or any assignment or proposed assignment of this Contract, with the administrator designated under the *Property Transfer Tax Act* and (ii) disclose the Prescribed Information and Records and such other information and records to such persons as may otherwise be required by law.
- (f) Forthwith upon the request of the Vendor, the Purchaser will provide, and will cause any assignee or proposed assignee of this Contract to provide, such other information and records as the Vendor may require or desire in connection with any assignment or proposed assignment of this Contract, including information regarding the Purchaser, the assignee or proposed assignee and/or the assignment or proposed assignment of this Contract. The Purchaser acknowledges that REDMA may be amended from time to time to modify the obligations and requirements, or to impose additional obligations and requirements, of the Vendor and/or the Purchaser with respect to assignments of purchase contracts, and the Purchaser covenants and agrees to comply with all such obligations and requirements and to cooperate with the Vendor and promptly comply with all requests of the Vendor in relation to such obligations and requirements.
- (g) For greater certainty, and notwithstanding anything else in this section 14 the notices, terms and conditions in this section 14 do not: (i) constitute consent by the Vendor to any assignment of this Contract; (ii) obligate the Vendor to consent to any assignment of this Contract; or (iii) derogate from, diminish, limit, amend or affect the Vendor's right to arbitrarily withhold its consent to any assignment of this Contract in the Vendor's sole and unfettered discretion pursuant to section 15 of this Contract. Accordingly, the Purchaser should not enter into this Contract with any expectation of, on reliance upon, the Purchaser's ability to assign this Contract in the future.

15. Assignment.

- (a) The Purchaser will not assign its interest in the Strata Lot or in this Contract without the prior written consent of the Vendor, which consent may be arbitrarily withheld in the Vendor's sole and unfettered discretion, and, without limiting the foregoing, the Vendor may withhold its consent in accordance with section 14 above. Unless the Vendor so consents, the Vendor is not required to convey the Strata Lot to anyone other than the Purchaser named in this Contract. Any consent permitted hereunder will be in the form of consent provided by the Vendor and will contain such terms and conditions as may be required by the Vendor in its sole discretion.

INITIALS	

- (b) The Purchaser will not, at any time before the Completion Date, advertise or solicit offers from the public with respect to the assignment of this Contract or the resale of the Strata Lot by the Purchaser without the prior written consent of the Vendor, which consent may be arbitrarily withheld in the Vendor's sole and unfettered discretion, and in particular, the Purchaser will not list the Strata lot or the Purchaser's interest in this Contract on any Multiple Listing Service (MLS). For greater certainty, if the Developer consents to the Purchaser advertising or soliciting offers from the public with respect to the assignment of this Contract or the resale of the Strata Lot by the Purchaser:
 - (i) such consent will be in the form of consent provided by the Vendor and will contain such terms and conditions as may be required by the Vendor in its sole discretion; and
 - (ii) such consent will not in any event be interpreted or construed as the Developer consenting to the assignment of the Contract by the Purchaser (which consent, for greater certainty, may be arbitrarily withheld by the Vendor in the Vendor's sole and unfettered discretion pursuant to subsection 15(a)).
- (c) As a condition for agreeing to an assignment of the Purchaser's interest in the Strata Lot or in this Contract and for any associated legal and administrative costs, the Vendor may, at its sole option, charge the Purchaser an administration fee equal to 2% of the aggregate of:
 - (i) an amount equal to any consideration paid by the assignee to the Purchaser in relation to the assignment plus applicable taxes thereon; and
 - (ii) the Purchase Price plus applicable taxes thereon.
- (d) Notwithstanding paragraph 15(c)(i) and 15(c)(ii), the Vendor will charge the Purchaser a flat fee of \$350.00 plus applicable taxes thereon if the assignee is the Purchaser's spouse, parent, child, grandparent, grandchild or sibling or a company controlled by the Purchaser. Following any assignment, the assignor will not be relieved of its obligations under this Contract but will continue to remain liable to perform all obligations of the Purchaser under this Contract.

16. Continuing Construction and Marketing. The Purchaser agrees that the Vendor may continue to carry out construction work on the Development after the completion of the purchase of the Strata Lot by the Purchaser, including, without limitation, construction of future phase(s), if any. The Purchaser acknowledges and accepts that such work may cause inconvenience to the use and enjoyment of the Strata Lot. The Purchaser will not impede or interfere with the Vendor's completion of construction of other strata lots, the common property or the Development. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise to market the Development. The Purchaser agrees that for so long as the Vendor is the owner of any strata lots in the Development, the Vendor may carry out marketing, promotional and sales activities within the common property (including parking stalls and recreational facilities) of the Development or strata lots owned or leased by the Vendor, including, without limitation, maintaining display suites, other display areas, parking areas and signage (including signage on the exterior of the Development) and permitting public access to same for the purpose of marketing any unsold strata lots in the Development. In addition, the Vendor may conduct tours of the Development from time to time with prospective purchasers and hold events and other activities within the Development in connection with the marketing and sales activities for the Development.

17. Proxies. The Purchaser covenants and agree to, on or before the Completion Date and from time to time thereafter as the Developer may request, grant proxies to the Developer or to such other entities as the Developer may direct, in such form and containing such terms and conditions as the Developer may determine, in its sole discretion, permitting the Developer or such other entities to exercise the Purchaser's vote in the Strata Corporation, to, among other things, amend any strata plan(s) filed in the LTO in respect of the Development or any phase thereof or designate certain areas on such strata plans as limited common property for the exclusive use of one or more strata lots in the Development, and the Purchaser further covenants and agrees not to revoke such proxies. The Purchaser's covenants and obligations contained in this section 17 will survive and not merge upon the completion of the purchase and sale of the Strata Lot contemplated herein.

18. Successors and Assigns. This Contract will enure to the benefit of and be binding upon the parties hereto and their respective successors, permitted assigns, heirs, administrators and executors.
