## **AMENDMENT TO DISCLOSURE STATEMENT**

The Disclosure Statement is hereby amended as follows:

1. by inserting the following at the end of section 1.6 as a new subsection 1.6(g):

“(g) The Commercial Stalls (as defined in subsection 3.6(a)) in the Development have been leased or will be leased by the Developer to the Parking Tenant (as defined in subsection 3.6(j)), an entity related to the Developer. If the Developer has agreed to provide any Commercial Stall(s) to a purchaser of a Strata Lot, the Developer will cause the Parking Tenant to assign to the purchaser the Parking Tenant’s interest in the number of Commercial Stall(s) specified in the contract of purchase and sale, and any addendum thereto, entered into by the purchaser for the purchase of the Strata Lot. In addition, the Developer or the Parking Tenant, as the case may be, may rent any Commercial Stalls not assigned to owners or occupants of the Strata Lots to the owners and occupants of the Strata Lots, on an hourly, daily or monthly basis, or assign, or cause to be assigned, to any owners or occupants of the Strata Lots the Parking Tenant’s interest in any particular Commercial Stall, while any are available, on the terms established from time to time by the Parking Tenant or the Developer, as the case may be, without compensation to the owners of the Strata Corporation or the owners of the Strata Lots. Upon the deposit of the Phase 1 Strata Plan in the Land Title Office, the Strata Corporation will assume the Developer’s obligations, as landlord, under the Commercial Parking Lease (as defined in subsection 3.6(m)) on terms and conditions determined by the Developer, provided however that the assumption by the Strata Corporation will be suspended insofar as the Commercial Parking Lease applies to Commercial Stalls located within Phase 2 until, and conditional upon, the deposit of the Phase 2 Strata Plan in the Land Title Office. Following the deposit of the Phase 1 Strata Plan in the Land Title Office, the Developer may, in the Developer’s discretion, cause the Parking Tenant to assign to the Developer some or all of the Parking Tenant’s interest, as tenant, under the Commercial Parking Lease all as more particularly described in subsection 3.6(m)).”;
2. by inserting the following at the end of section 1.6 as a new subsection 1.6(h):

“(h) The Developer may retain ownership of the Public EV Strata Lot (as defined in subsection 3.6(g)), in which case the Developer will be entitled to exercise all of the rights of the owner of the Public EV Strata Lot with respect to the Public EV Stalls and the Public EV Chargers (each as defined in subsection 3.6(g)), including, without limitation, to retain all revenue from the Public EV Stalls and the Public EV Chargers.”;
3. by amending paragraph 2.1(b)(i) as follows:
  - (a) by deleting the words “144 strata lots” in the second paragraph and replacing them with “139 strata lots”; and

- (b) by deleting the table under the third paragraph and replacing it with the following table:

- (b) by deleting the words "Strata Lots 33-69 (inclusive)" in subparagraph 2.1(b)(ii)1. and replacing them with "Strata Lots 32-68 (inclusive)";
- (c) by deleting the table in subparagraph 2.1(b)(ii)1. and replacing it with the following table:

<u>"Type of Residential Lots</u>	<u>Building 1</u>	<u>Building 2</u>
2 Bedroom	7	30
3 Bedroom	9	6
4 Bedroom	8	1
TOTAL	24	37"; and

- (d) by deleting subparagraph 2.1(b)(ii)2. and replacing it with the following:

"2. Phase 2

There will be 59 Residential Lots in Phase 2. The Residential Lots in Phase 2 are Strata Lots 76-111 (inclusive) and Strata Lots 117-139 (inclusive). The Residential Lots in Phase 2 are currently intended to consist of the following types:

<u>Type of Residential Lots</u>	<u>Building 3</u>	<u>Building 4</u>
2 Bedroom	28	12
3 Bedroom	6	7
4 Bedroom	2	4
TOTAL	36	23";

5. by deleting paragraph 2.1(b)(iii) and replacing it with the following:

"(iii) Commercial Lots

It is anticipated that 19 of the Strata Lots in the Development will be for commercial use (the "**Commercial Lots**").

There will be 7 Commercial Lots in Phase 1. The Commercial Lots in Phase 1 are Strata Lots 25-31 (inclusive).

There will be 12 Commercial Lots in Phase 2. The Commercial Lots in Phase 2 are Strata Lots 69-75 (inclusive) and Strata Lots 112-116 (inclusive).

6. by amending section 2.3 as follows:

(a) by deleting the table under the second paragraph and replacing it with the following table:

<b><u>“Phase</u></b>	<b><u>Number of Strata Lots</u></b>
Phase 1	68

(b) by deleting the fifth paragraph and replacing it with the following:

“A Form P – Phased Strata Plan Declaration for the Development will be filed in the Land Title Office concurrently with the Phase 1 Strata Plan. The Form P describes important aspects of the Development, including the approximate location of each Phase, the estimated total Unit Entitlement and estimated number of Strata Lots in each Phase and the date by which the Developer must elect whether to proceed with each Phase. The City has approved, in concept, the proposed phasing for the Development based on the draft Form P (the “**Original Form P**”) attached as Exhibit B to the original disclosure statement dated January 29, 2021 (the “**Original Disclosure Statement**”) for the Development, but the Original Form P was not signed by the Approving Officer. The Developer subsequently made certain changes to the Form P for the Development to reflect changes to the number of strata lots in the Development. This Disclosure Statement was amended to include the updated Form P (the “**Revised Form P**”) by the Third Amendment (as defined in subsection 7.4(l)) of this Disclosure Statement). Copies of the Original Form P and the Revised Form P are attached to this Disclosure Statement as Exhibit B. The Approving Officer has not reviewed or signed the Revised Form P and has not indicated whether the Approving Officer is prepared to sign the Revised Form P in due course.”;

7. by amending subsection 3.5(f) as follows:

(a) by deleting the first paragraph of subsection 3.5(f) and replacing it with the following:

“Bylaws 7.24 and 8.19 contain certain restrictions with respect to parking and storing vehicles and personal property on the Common Property (including within the Parking Facility and the Storage Lockers).”; and

- (b) by inserting the following paragraphs at the end of subsection 3.5(f):

“Bylaw 8.19(2) restricts an owner, tenant or occupant of a Commercial Lot from renting out a Commercial Stall (as defined in section 3.6) or allowing a Commercial Stall from being used regularly by anyone that is not an owner, tenant, occupant, employee, agent or invitee of a Commercial Lot, the Strata Corporation, the Commercial Section or the Developer. Bylaw 8.19(2) also provides that, notwithstanding anything contained in the Bylaws to the contrary, an owner, tenant or occupant of a Commercial Lot will not permit any customer or patron of, or visitor to, a Commercial Lot to park or store a vehicle in any Commercial Stall located in the Underground Parkade or to otherwise access the Underground Parkade.

Bylaws 7.28, 8.20 and 11.6(6) provide that any owner, tenant or occupant vehicle parked in violation of the Bylaws will be subject to removal by a towing company authorized by the strata council, and all costs associated with such removal will be charged to the owner of the Strata Lot.

Bylaw 11.7 contains certain restriction on the creation of noise including, without limitation, restrictions on the use or operation of noisy equipment (including, without limitation, stereos and speakers) or machinery in or around a Strata Lot between the hours of 10:00 p.m. and 7:00 a.m. or any activity that encourages loitering by persons in or about a Strata Lot or the Common Property.”;

8. by amending subsection 3.6(a) as follows:

- (a) by deleting the words “227 parking stalls” from the first sentence of the first paragraph and replacing them with “229 parking stalls”;
- (b) by deleting the words “160 Stalls” from the first sentence of the second paragraph and replacing them with “155 Stalls”;
- (c) by deleting the words “90 of the Residential Stalls” from the second sentence of the second paragraph, and replacing them with “83 of the Residential Stalls”;
- (d) by deleting the words “70 of the Residential Stalls” from the second sentence of the second paragraph, and replacing them with “72 of the Residential Stalls”;
- (e) by inserting the following paragraphs at the end of subsection 3.6(a):

“Approximately 10 Stalls in the Development (the “**Commercial Stalls**”) will be designated for exclusive use by particular owners and occupants of the Commercial Lots. Approximately four of the Commercial Stalls will be located in Phase 1 and approximately six of the Commercial Stalls will be located in Phase 2. All of the Commercial Stalls will be located in the Underground Parkade.

Although the Strata Plan will designate the Commercial Stalls as Common Property, this designation will be subject to the Commercial Parking Lease and, if applicable, the Commercial Parking Lease Encumbrance. Accordingly, the purchasers of the Strata Lots will not have any right to use the Commercial Stalls except as set out in subsection 3.6(m).”;

9. by amending subsection 3.6(b) as follows:

- (a) by deleting the second paragraph, the third paragraph (including the table thereunder) and the fourth paragraph and replacing them with the following:

“Approximately 49 Stalls in the Development (the “**Shared Visitor Stalls**”) will be shared between the visitors to, and customers of, the Commercial Lots and the owners, tenants and occupants of the Strata Lots on a “first come, first served” basis in accordance with the Bylaws.

Each Phase will include approximately the following number of Residential Visitor Stalls and Shared Visitor Stalls (collectively, the “**Visitor Stalls**”):

<u>Phase</u>	<u>Number of Residential Visitor Stalls</u>	<u>Number of Shared Visitor Stalls</u>
Phase 1	14	17
Phase 2	0	32
<b>Total</b>	14	49

All of the Residential Visitor Stalls and Shared Visitor Stalls will be located on the Surface Parking Lot.”; and

- (b) by inserting the words “for a maximum period of 2 consecutive hours” into the sixth paragraph after the words “permitted to use the Shared Visitor Stalls” and before the words “and that outside the hours of 8 a.m. and 6 p.m.”;
10. by deleting the number “16” in the first paragraph of subsection 3.6(f) and replacing it with “55”;
11. by deleting subsection 3.6(g) and replacing it with the following:

“(g) *Public EV Chargers*

The Developer intends to install two CoRe+ smart level 2 charging stations (the “**Public EV Chargers**”) within or adjacent to four Stalls in Phase 2 of the Development (the “**Public EV Stalls**”). It is intended that the Public EV Stalls and the Public EV Chargers will be used for electric vehicle charging by visitors to and customers of the Commercial Lots, and the general public. It is anticipated that the Public EV Chargers will be operated by Services FLO Inc. (the “**Public EV Operator**”), and that any person who wishes to use a Public EV Charger will be required to pay fees for the use of such Public EV Charger via a credit card or smartphone application and such person may be required to obtain a membership with the Public EV Operator prior to using the Public EV Chargers.

The Public EV Stalls will be designated as limited common property for a particular Commercial Strata Lot (the “**Public EV Strata Lot**”), as shown on the Preliminary Strata Plan for Phase 2. Accordingly, the owner of the Public EV Strata Lot will have exclusive use of and control over the Public EV Stalls. The Developer reserves the right to retain ownership of the Public EV Strata Lot.

It is anticipated that the Public EV Chargers will be connected to the electricity meter for the Public EV Strata Lot (rather than the common electricity meter for the Common Property) and, accordingly, that the owner of the Public EV Strata Lot will be responsible for electricity charges incurred in connection with the Public EV Chargers.

The Developer intends to cause the Strata Corporation, upon its formation, to enter into an agreement with the Developer, in the form required by the Developer, which will, *inter alia*, provide for the following:

- The owner of the Public EV Strata Lot may permit visitors to and customers of the Commercial Lots, and the general public, to use the Public EV Stalls and the Public EV Chargers for parking and/or electric vehicle charging and will have the right to determine the terms and conditions of the use of the Public EV Stalls and the Public EV Chargers in its sole discretion (including, without limitation, the permitted time for use and the fees payable in connection with such use).
- The owner of the Public EV Strata Lot will have the right to retain all revenue from the Public EV Stalls and the Public EV Chargers, including, without limitation, all revenue from parking fees and electric vehicle charging fees. For greater certainty, the Strata Corporation will not be entitled to any revenue from the Public EV Stalls.
- The owner of the Public EV Strata Lot may maintain, repair, alter, remove and replace the Public EV Chargers from time to time and may install such other utilities, works and services within the Common Property as may be required in order to service and use the Public EV Chargers.
- The Strata Corporation will not do anything (including passing any bylaw) which may interfere with the ability of the owner of the Public EV Strata Lot to use the Public EV Stalls and the Public EV Chargers as described above and will not charge any fees to the owner of the Public EV Strata Lot in connection with the Public EV Stalls and/or the Public EV Chargers.

Prior to filing the Bylaws in the Land Title Office, the Developer may amend the Bylaws to include bylaws with similar effect to the terms of the above-noted agreement with respect to the Public EV Stalls and the Public EV Chargers.

The foregoing arrangements are subject to change, as determined by the Developer or as required by the Public EV Operator. In addition, and notwithstanding the foregoing, the Developer may elect to install different types of electric vehicle chargers, or to arrange for a different operator to operate the electric vehicle chargers, or to not install some or all of the Public EV Chargers in the Development.”;

12. by deleting the first paragraph of subsection 3.6(i) and replacing it with the following:

“The Developer does not intend to include any bicycle lockers in the Development.

Each Residential Stall and each Commercial Stall will contain one unenclosed bicycle wall rack (the “**Wall Rack**”) with sufficient space in which to store up to two bicycles. However, the Developer may, in its sole discretion, offer purchasers the option to purchase, for such consideration as the Developer may require, a storage box (a “**Storage Box**”) to be installed in the purchaser’s Residential Stall or Commercial Stall, as the case may be, in lieu of the Wall Rack, and if the Developer and a purchaser agree that a Storage Box will be installed, then such Stall will not contain a Wall Rack.

The Development will include bicycle storage rooms (the “**Bicycle Storage Rooms**”) intended for the use of owners and occupants of the Residential Strata Lots for bicycle storage purposes. It is anticipated that the Bicycle Storage Rooms will be located approximately as shown on the Preliminary Plans. The Bicycle Storage Rooms will contain unenclosed bicycle racks (the “**Bike Racks**”). It is intended that each Residential Strata Lot will have exclusive use of two Bike Racks, by way of a Limited Common Property designation on the Strata Plan. However, if the Developer deems it more appropriate, at its option, the Developer may grant to the owners of the Residential Strata Lots rights to use the Bike Racks substantially similar to the rights granted to them through such Limited Common Property designation by the implementation of a different legal structure, including, without limitation, amending the Residential Parking and Storage Lease so that the Bicycle Storage Rooms are leased thereunder and granting partial assignments of the Residential Parking and Storage Lease with respect to particular Bike Racks to the owners of the Residential Strata Lots.”;

13. by deleting the heading and first two paragraphs of subsection 3.6(j) and replacing them with the following:

“(j)     *Residential Parking and Storage Lease*

The Developer, as landlord, has entered into a long-term pre-paid lease (the “**Residential Parking and Storage Lease**”) with respect to all of the Residential Stalls and Storage Lockers, in favour of Mackenzie Plaza Parking Co. Ltd. (the “**Parking Tenant**”), as tenant. The Residential Parking and Storage Lease applies to: (i) all of the Residential Stalls; and (ii) all of the Storage Lockers. The Developer and the Parking Tenant subsequently amended the Residential Parking and Storage Lease to reflect certain changes to the configuration and use of portions of the Parking Facility.

The Parking Tenant is related to the Developer. A copy of the Residential Parking and Storage Lease and the above-noted amendment thereto are attached as Exhibit M-1 to this Disclosure Statement. The Developer reserves the right to amend and/or restate the Residential Parking and Storage Lease from time to time in its sole discretion prior to the first conveyance of a Strata Lot (including, without limitation, to include an updated copy of the plan showing the as-built location of the Residential Stalls and the Storage Lockers upon completion of construction thereof).”;

14. by deleting subsection 3.6(k) and replacing it with the following:

“(k)     *Access to Parking Facility*

The Surface Parking Lot and the entry ramp to the Underground Parkade will be accessible off the new internal road located to the north of the Development. Access to the Underground Parkade will be restricted by an overhead security gate (the “**Security**

**Gate**") at the entrance to the Underground Parkade. Entry through the Security Gate will provide access to the Underground Parkade. It is intended that the Security Gate will remain closed at all times and that only the owners and occupants of the Strata Lots, the Strata Corporation and persons authorized by the Strata Corporation may open the Security Gate. It is anticipated that owners, tenants and occupants of the Commercial Lots and their respective employees, agents and invitees will be permitted to open the Security Gate and access the Underground Parkade but none of the patrons of, and the visitors to, the Commercial Lots will not be permitted to open the Security Gate and access the Underground Parkade unless otherwise authorized by the Strata Corporation.";

15. by inserting the following at the end of section 3.6 as a new subsection 3.6(m):

*"(m) Commercial Parking Lease*

The Developer, as landlord, has entered into a long-term pre-paid lease (the **"Commercial Parking Lease"**) with respect to all of the Commercial Stalls, in favour of the Parking Tenant, as tenant. The Commercial Parking Lease applies to all of the Commercial Stalls.

The Parking Tenant is related to the Developer. A copy of the Commercial Parking Lease is attached as Exhibit M-2 to this Disclosure Statement. The Developer reserves the right to amend and/or restate the Commercial Parking Lease from time to time in its sole discretion prior to the first conveyance of a Strata Lot (including, without limitation, to include an updated copy of the plan showing the as-built location of the Commercial Stalls upon completion of construction thereof).

At the Developer's sole option, the Commercial Parking Lease or a document securing or evidencing the Commercial Parking Lease including, without limitation, an option to lease, may be registered against title to the Lands or the Common Property, or both (collectively, the **"Commercial Parking Lease Encumbrance"**).

Upon the registration of the Phase 1 Strata Plan, the Commercial Parking Lease will be a charge on the Common Property. After the Phase 1 Strata Plan has been deposited in the Land Title Office, the Developer intends to assign the Commercial Parking Lease to the Strata Corporation and to cause the Strata Corporation to assume the Developer's obligations, as landlord, under the Commercial Parking Lease, on terms and conditions determined by the Developer, provided however that such assignment to, and assumption by, the Strata Corporation will be suspended insofar as the Commercial Parking Lease applies to Commercial Stalls located within Phase 2 until, and conditional upon, the deposit of the Phase 2 Strata Plan in the Land Title Office. Following the deposit of the Strata Plan for each Phase in the Land Title Office and the assignment described above, the Developer may, in the Developer's discretion, cause the Parking Tenant to assign to the Developer the Parking Tenant's interest, as tenant, under the Commercial Parking Lease in those Commercial Stalls located within such Phase. Notwithstanding such assignments and assumptions, the Parking Tenant (or the Developer, if the Developer so elects) will be entitled to receive and retain, as its absolute property, all amounts payable by any persons as consideration for the right to use any Commercial Stalls.

Although the Strata Plan will designate the Commercial Stalls as Common Property, this designation will be subject to the Commercial Parking Lease and, if applicable, the Commercial Parking Lease Encumbrance. Accordingly, the owners and occupants of the Strata Lots will not have any right to use the Commercial Stalls except as set out below.

Each purchaser of a Strata Lot will be entitled to the exclusive use of the number and, if applicable, type, of Stall(s) specified in the contract of purchase and sale and any addenda thereto entered into by the purchaser for the purchase of the Strata Lot (which number, in each case, may be zero, one or more than one). For greater certainty, the Developer does not guarantee that a Commercial Stall will be available for each purchaser of a Strata Lot, and a purchaser of a Strata Lot will not have a right to use a Commercial Stall unless the contract of purchase and sale and any addendum or amendment thereto entered into by the purchaser and the Developer for the purchase of the Strata Lot specifically states that a Commercial Stall(s) will be allocated to the purchaser. The Commercial Stall(s) (if any) will be allocated for use by the owners of the Strata Lots by partial assignment of the Commercial Parking Lease. Upon the transfer of a Strata Lot to a purchaser who is entitled to the exclusive use of a Commercial Stall(s) (if any), the Parking Tenant or the Developer, as the case may be, will partially assign its interest under the Commercial Parking Lease with respect to the particular Stall(s) allocated to the purchaser by the Developer.

The Developer reserves the right to rent, and to cause the Parking Tenant to rent, any available Commercial Stalls to any owners or tenants of the Strata Lots on an hourly, daily or monthly basis, or to assign, or cause to be assigned, to any owners and occupants of the Strata Lots the Parking Tenant's interest under the Commercial Parking Lease in any particular Commercial Stall while any are available on the terms established from time to time by the Developer or the Parking Tenant, as the case may be. For greater certainty, the Parking Tenant may retain any remaining Commercial Stalls throughout the term of the Commercial Parking Lease and may rent or grant partial assignments thereof on the terms established from time to time by the Parking Tenant or the Developer, without compensation to the Strata Corporation or the owners of the Strata Lots.

An owner of a Strata Lot will only be permitted to assign an interest that he or she has in any Commercial Stall under the Commercial Parking Lease to a purchaser of such Strata Lot, to an owner of another Strata Lot, to the Strata Corporation, to the Commercial Section or back to the Parking Tenant or the Developer, as the case may be. The right to the exclusive use of the Commercial Stalls will terminate upon the expiry of the Commercial Parking Lease. In addition, an owner of a Strata Lot that holds an interest under the Commercial Parking Lease in a Commercial Stall may not rent or lease such Commercial Stall to any person other than an owner, purchaser or occupant of a Strata Lot, the Strata Corporation or the Parking Tenant or the Developer, as the case may be.

The Developer will have the right to determine, in its sole discretion, the location of any Commercial Stalls allocated to purchasers and, accordingly, a purchaser of a Strata Lot will have no control over the location of any Commercial Stall assigned to such purchaser.

If the Developer deems it more appropriate, at its option, the Developer may grant to the owners of the Strata Lots rights to use the Commercial Stalls substantially similar to the rights granted to them through partial assignments of the Commercial Parking Lease as set out above, by the implementation of a different legal structure, including, without limitation, designation of the Commercial Stalls as Limited Common Property pursuant to section 258 of the Strata Property Act.

In addition, the Bylaws attached as Exhibit D to this Disclosure Statement contain certain provisions concerning the Commercial Stalls.”;

16. by deleting section 3.12 and replacing it with the following:

**“3.12 Rental Disclosure Statement**

Pursuant to the *Strata Property Act*, the Developer must disclose to any purchaser the intention to lease any unsold Residential Lots in order to preserve the Developer’s right and the right of subsequent purchasers of the Residential Lots to lease the Residential Lots in the future. The Developer does not currently intend to rent out any of the Residential Lots, but will reserve the right for itself and subsequent owners of the Residential Lots to rent or lease any or all of the Residential Lots by filing a rental disclosure statement (the **“Original Rental Disclosure Statement”**) for the Residential Lots in Form J of the *Strata Property Act* with the Superintendent concurrently with the filing of the Original Disclosure Statement. A copy of the Original Rental Disclosure Statement was attached as Exhibit I to the Original Disclosure Statement.

As a result of changes to the number of Residential Lots in the Development, the Developer filed a changed rental disclosure statement (the **“Changed Rental Disclosure Statement”**), in Form J under the *Strata Property Act*, in respect of all of the Residential Lots in the Development with the Superintendent concurrently with the filing of the Third Amendment (as defined in subsection 7.4(l)) to this Disclosure Statement. As a result, the Developer preserved the right for itself and subsequent owners of the Residential Lots to rent or lease any or all of the Residential Lots. A copy of the Changed Rental Disclosure Statement is attached Exhibit I to this Disclosure Statement.”;

17. by deleting the words “Strata Lots 1 to 144” from the first line of the legal description in subsection 4.1(d) and replacing them with “Strata Lots 1 to 139”;

18. by deleting paragraph 4.3(b)(xvi) and replacing it with the following:

“(xvi) Mortgage CA9036358 and Modification CB74460, and Assignment of Rents CA9036359 and Modification CB74461 – These encumbrances are a mortgage of the Lands and modification thereto, and an assignment of rents and modification thereto granted by the Developer in favour of the Construction Lender to secure the Construction Financing (each as defined and described in subsection 6.2) extended by the Construction Lender to the Developer. See paragraph 4.3(c)(iii) for information concerning the discharge of this mortgage and assignment of rents.”;

19. by inserting the following at the end of subsection 4.3(b) as a new paragraph 4.3(b)(xxxv):

“(xxxv) Priority Agreement CB77745 and Priority Agreement CB77746 – These encumbrances are priority agreements granting Mortgage CA9036358 as modified by CB74460 and Assignment of Rents CA9036359 as modified by CB74461, each in favour of the Construction Lender, priority over Mortgage CA9488891 and Assignment of Rents CA9488892, each in favour of Westmount West Services Inc.”;

20. by deleting subsection 4.4(x) and replacing it with the following:

“(x) the Commercial Parking Lease and/or the Commercial Parking Lease Encumbrance; and”;

21. by amending section 5.1 by deleting the table under the heading “Phase 1” and replacing it with the following table:

<u>“Building Number</u>	<u>Estimated Date Range for Completion of Construction</u>
Building 1	December 1, 2022 to March 1, 2023
Building 2	February 1, 2023 to May 1, 2023”;

22. by inserting the following at the end of section 7.4 as a new subsection 7.4(l):

“(l) *Strata Lot Number and Unit Number Change*

(i) In this Disclosure Statement:

1. **“Original Disclosure Material”** means the original disclosure statement dated January 29, 2021, as amended by a first amendment to disclosure statement dated May 28, 2021 and a second amendment to disclosure statement dated November 16, 2021, all filed by the Developer with respect to the Development; and
2. **“Third Amendment”** means the third amendment to disclosure statement dated September 19, 2022 filed by the Developer with respect to this Disclosure Statement.

(ii) As a result of combining certain separate Commercial Lots to form certain larger Commercial Strata Lots, the strata lot numbers and unit numbers assigned to certain of the Strata Lots prior to the filing of the Third Amendment have changed.

- (iii) Attached as Exhibit P to this Disclosure Statement is a table (the “**Cross-Reference Table**”) that sets out the following for each given Strata Lot in the Development:
1. the Strata Lot number and unit number of such Strata Lot as shown on the preliminary strata plan (the “**Previous Preliminary Strata Plan**”) that was attached as Exhibit A-1 or Exhibit A-2 to the Original Disclosure Material; and
  2. the corresponding Strata Lot number and unit number of such Strata Lot as shown on the updated Preliminary Strata Plan attached as Exhibit A-1 or Exhibit A-2 to this Disclosure Statement (the “**Updated Preliminary Strata Plan**”).
- (iv) For any contract of purchase and sale that was entered into prior to the Developer filing the Third Amendment, the strata lot number set out in such contract corresponds to the Strata Lot with that number on the Previous Preliminary Strata Plan (a copy of which was attached as Exhibit A-1 or Exhibit A-2 to the Original Disclosure Material). As a result of the changes noted-above to the Development, the strata lot numbers and unit numbers for certain of the Strata Lots have changed, as shown in the Cross-Reference Table. This means that, for any contract of purchase and sale entered into with respect to a Strata Lot prior to the filing of the Third Amendment, the strata lot number specified in such contract may not correctly correspond to the Strata Lot with that number on the Updated Preliminary Strata Plan, and the purchaser of any such Strata Lot should refer to the Cross-Reference Table to identify the correct strata lot number and unit number for the Strata Lot as shown on the Updated Preliminary Strata Plan. For greater certainty, for any contract of purchase and sale entered into for a Strata Lot after the filing of the Third Amendment, the strata lot number specified in such contract correctly corresponds to the Strata Lot with that number on the Updated Preliminary Strata Plan.”;

## SCHEDULE A

### BYLAWS

#### MACKENZIE PLAZA

The following bylaws replace the Standard Bylaws to the *Strata Property Act* (British Columbia) (the “**Act**”), as permitted pursuant to section 120 of the Act.

#### PART 1 - Separate Sections and Strata Lot Types

##### Commercial section

- 1.1 The owners of the non-residential strata lots, being all of the non-residential strata lots in each phase of the development as shown on the Form V for each phase of the development, will form a separate section within the strata corporation consisting of the non-residential strata lots in the strata plan and bearing the name “Section 1 of The Owners, Strata Plan EPS\_\_\_\_\_” (the “**Commercial Section**”).

##### Residential section

- 1.2 The owners of all residential strata lots, being all of the residential strata lots in each phase of the development as shown on the Form V for each phase of the development, will form a separate section within the strata corporation consisting of all the residential strata lots in the strata plan and bearing the name “Section 2 of The Owners, Strata Plan EPS\_\_\_\_\_” (the “**Residential Section**”).

##### Administration of sections

- 1.3
- (1) The Residential Section must elect an executive in the manner described in Part 7 of these Bylaws.
  - (2) The Commercial Section must elect an executive in the manner described in Part 8 of these Bylaws.
  - (3) With respect to matters that relate solely to a separate section, each section is a corporation and has the same powers and duties as the strata corporation to enter into contracts in the name of such section, to acquire and dispose of land and other property in the name of or on behalf of such section, and to make and enforce bylaws and rules.
  - (4) Each section may make rules governing the use, safety and condition of the limited common property designated for the exclusive use of such section and the Exclusive Areas (as defined in bylaw 1.6) of such section.
  - (5) Each of the Commercial Section and the Residential Section may obtain insurance only:
    - (a) against perils that are not insured by the strata corporation; or
    - (b) for amounts that are in excess of amounts that are insured by the strata corporation.

Each section has the same insurable interest as the strata corporation has in property contained within such section.

#### **Payment and collection of section fees**

- 1.4 (1) Each of the Commercial Section and the Residential Section are entitled to establish its own operating fund and contingency reserve fund for common expenses of the section, including expenses relating to the limited common property designated for the exclusive use of all of the strata lots in such section and the Exclusive Areas of such section, such funds to be separately accounted for, with all interest to accrue to the relevant fund, but such funds not necessarily to be deposited to separate accounts.
- (2) The executive of each of the Commercial Section and the Residential Section will prepare an annual budget of section expenses which is to be included as part of the annual budget prepared by the strata corporation for approval at annual general meetings. Such budget will set out by categories its best estimate of the common expenses of the separate section for the next fiscal year. The budget will include a reasonable provision for contingencies and future replacements. The strata fees payable by the owners will include the fees owing to the strata corporation and the fees owing to the owner's separate section, which strata fees are payable in accordance with bylaw 2.1.
- (3) Upon receipt each month of strata fees from the owners, the strata corporation will deposit into separate accounts that portion of such fees which is applicable to the strata corporation operating fund, the strata corporation contingency reserve fund, the operating fund of the applicable section and the contingency reserve fund of the applicable section.
- (4) Only authorized signatories for each of the Commercial Section and the Residential Section will be entitled to withdraw funds from the operating fund and the contingency reserve fund for their respective sections.
- (5) Special levies approved by a separate section will be payable by the owners in such section to the strata corporation which will pay such special levy into the operating fund or the contingency reserve of such section, as requested by such section.
- (6) At the request of a separate section, the strata corporation will register a lien against an owner's strata lot if section fees have not been paid to the strata corporation as part of such owner's strata fees or if a special levy approved by a separate section has not been paid by such owner.

#### **Repair and maintenance of property by separate sections**

- 1.5 Each of the Commercial Section and the Residential Section must repair and maintain all of the limited common property appurtenant to such section and the Exclusive Areas of such section, but the duty to repair and maintain does not include repair and maintenance of the following (which are the responsibility of the strata corporation as a whole):

- (1) repair and maintenance that in the ordinary course of events occurs less than once a year;
- (2) the structure of a building;
- (3) the exterior of a building;
- (4) stairs, patios, balconies, terraces, decks and roof decks (including drains located thereon) and other things attached to the exterior of the building;
- (5) doors, windows or skylights (including without limitation frames and sills) on the exterior of the building or that front on the common property; and
- (6) fences, railings and similar structures that enclose patios, balconies, terraces, decks, roof decks and yards.

The Residential Section will not alter or improve any limited common property or any Exclusive Areas, including any improvements thereon, in such a manner so as to limit access to, impair the visibility of or obstruct a non-residential strata lot or otherwise have a negative impact on the business carried on in and from a non-residential strata lot.

### Exclusive Areas

- 1.6 (1) Those areas (the “**Exclusive Residential Areas**”) of the development shown hatched on the sketch plan attached as Schedule B (the “**Exclusive Area Plan**”) are, notwithstanding that those areas are designated as common property on the strata plan, for the exclusive use of the owners and occupants of the residential strata lots and the owners and occupants of, and the visitors to, the non-residential strata lots are not permitted to access or use the Exclusive Residential Areas.
- (2) Those areas (the “**Exclusive Commercial Areas**” and, together with the Exclusive Residential Areas, the “**Exclusive Areas**”) of the development shown cross-hatched on the Exclusive Area Plan are, notwithstanding that those areas are designated as common property on the strata plan, for the exclusive use of the owners and occupants of, and visitors to, the non-residential strata lots and the owners and occupants of, and the visitors to, the residential strata lots are not permitted to access or use the Exclusive Commercial Areas.

### Strata Lot Types

- 1.7 The residential strata lots will be considered one type of strata lot, and the non-residential strata lots will be considered a separate type of strata lot, for the purposes of allocating expenses which relate to and benefit only one of these types of strata lots. If a contribution to the operating fund relates to, and benefits only, one of these types of strata lots, such contribution is to be shared only by the owners of strata lots of that type and each such strata lot’s share of that contribution is to be calculated in accordance with the formula which has as its numerator the unit entitlement of such strata lot and as its denominator the total unit entitlement of all strata lots within that type. For greater certainty, the Exclusive Residential Areas relate to and benefit only the residential strata

lots, and the Exclusive Commercial Areas relate to and benefit only the non-residential strata lots.

## **PART 2 - Duties of Owners of all Strata Lots, Tenants, Occupants and Visitors**

### **Payment of strata fees**

- 2.1 (1) An owner must pay strata fees to the strata corporation on or before the first day of the month to which the strata fees relate. The strata fees will be made up of the fees owing to the strata corporation and the fees owing to the owner's separate section as set out in the approved budget.
- (2) Notwithstanding that the strata fees are made up of the fees owing to the strata corporation and the fees owing to the owner's separate section, the owner will pay the fees owing to the strata corporation and the fees owing to the owner's separate section separately by way of two or more separate payments.
- (3) If an owner is late in paying his or her strata fees, the owner must pay to the strata corporation interest on the late payment in the amount of 12% per annum compounded annually, and allocated on a monthly basis commencing the date the payment was due and continuing until the last day of the month in which it is paid. In addition to interest, failure to pay strata fees on the due date will result in a fine of \$50, for each month or portion thereof, which fine is payable to the strata corporation or, if directed by the strata council, to the professional property management company providing services to the strata corporation.
- (4) Any payments made by an owner will first be applied to the payment of outstanding interest, fines and special levies, and secondly to the payment of outstanding strata fees.

### **Repair and maintenance of property by owner**

- 2.2 (1) An owner must repair and maintain the owner's strata lot, except for repair and maintenance that is the responsibility of the strata corporation under these bylaws.
- (2) An owner who has the use of limited common property must repair and maintain it, except for repair and maintenance that is the responsibility of the strata corporation under these bylaws.
- (3) Without limiting the generality of bylaw 2.2(2), each owner will be responsible for periodic and seasonal non-invasive cleaning and maintenance of all limited common property allocated to that owner's strata lot, including any balconies, patios, terraces, decks and roof decks (including drains located thereon) and will be responsible for any and all damages, costs and expenses (including strata corporation insurance deductibles) that occur as a result of a failure to clean and maintain such limited common property. Additionally, each owner will be responsible for promptly notifying the property manager of any issues with their limited common property, such as, for example, pooling of water on balconies, patios, terraces and roof decks.

## **Use of property**

- 2.3 (1) An owner, tenant, occupant, employee, agent, invitee, guest or visitor must not use a strata lot or the common property or common assets in a manner that:
- (a) causes a nuisance, disturbance or hazard to another person;

  - (c) 3, if the executive consists of 5 or 6 members, and
  - (d) 4, if the executive consists of 7 members.
- (2) Executive members must be present in person at the executive meeting to be counted in establishing quorum.

### **Executive meetings**

- 8.12 (1) At the option of the executive, executive meetings may be held by electronic means, so long as all executive members and other participants can communicate with each other.
- (2) If an executive meeting is held by electronic means, executive members are deemed to be present in person.
- (3) Owners may attend executive meetings as observers.
- (4) Despite subsection (3), no observers may attend those portions of executive meetings that deal with any of the following:
- (a) bylaw contravention hearings;
  - (b) rental restriction bylaw exemption hearings;
  - (c) any other matters if the presence of observers would, in the executive's opinion, unreasonably interfere with an individual's privacy.

### **Voting at executive meetings**

- 8.13 (1) At executive meetings, decisions must be made by a majority of executive members present in person at the meeting.
- (2) If there is a tie vote at an executive meeting, the president may break the tie by casting a second, deciding vote.
- (3) The results of all votes at an executive meeting must be recorded in the executive meeting minutes.

### **Executive to inform owners of minutes**

- 8.14 The executive must inform owners of the minutes of all executive meetings within 2 weeks of the meeting, whether or not the minutes have been approved.

### **Delegation of executive's powers and duties**

- 8.15 (1) Subject to subsections (2) to (4), the executive may delegate some or all of its powers and duties to one or more executive members or persons who are not members of the executive, and may revoke the delegation.
- (2) The executive may delegate its spending powers or duties, but only by a resolution that
- (a) delegates the authority to make an expenditure of a specific amount for a specific purpose, or
  - (b) delegates the general authority to make expenditures in accordance with subsection (3).
- (3) A delegation of a general authority to make expenditures must
- (a) set a maximum amount that may be spent, and
  - (b) indicate the purposes for which, or the conditions under which, the money may be spent.
- (4) The executive may not delegate its powers to determine, based on the facts of a particular case,
- (a) whether a person has contravened a bylaw or rule,
  - (b) whether a person should be fined, and the amount of the fine, or
  - (c) whether a person should be denied access to a recreational facility.

### **Spending restrictions**

- 8.16 (1) A person may not spend the Commercial Section's money unless the person has been delegated the power to do so in accordance with these bylaws.
- (2) Despite subsection (1), an executive member may spend the Commercial Section's money to repair or replace the Exclusive Commercial Areas or limited common property which has been designated for the use of the Commercial Section if the repair or replacement is immediately required to ensure safety or prevent significant loss or damage.

### **Limitation on liability of executive member**

- 8.17 (1) An executive member who acts honestly and in good faith is not personally liable because of anything done or omitted in the exercise or intended exercise of any power or the performance or intended performance of any duty of the executive.

- (2) Subsection (1) does not affect an executive member's liability, as an owner, for a judgment against the strata corporation.
- (3) Any consent, approval or permission given under these bylaws by the strata executive or the executive of a separate section, as the case may be, will be revocable at any time upon reasonable notice.

### Small claims court

- 8.18 (1) Notwithstanding any provision of the Act, the Commercial Section may proceed under the *Small Claims Act* (British Columbia) against an owner or other person to collect money owing to the Commercial Section, including money owing as a fine, without requiring authorization by a resolution passed by a 3/4 vote.

### Commercial Parking

- 8.19 (1) Each owner of a commercial strata lot may be entitled to the exclusive use of zero, one or more than one of the commercial parking stalls (the "**Commercial Parking Stalls**") located on or within the Parking Facility, pursuant to a partial assignment of a commercial parking lease (the "**Commercial Parking Lease**") between the developer and Mackenzie Plaza Parking Co. Ltd., a copy of which is attached to the disclosure statement for the development. Pursuant to the Commercial Parking Lease, upon the registration of the strata plan for the development, the strata corporation will automatically assume all of the covenants and obligations of the developer, as landlord, under the Commercial Parking Lease with respect to those Commercial Parking Stalls within the development which are subject to the Commercial Parking Lease. Attached as Schedule C is a copy of the Parking and Storage Plan which shows the leased premises under the Commercial Parking Lease. For certainty, the Commercial Parking Stalls are those parking stalls denoted as **[NTD: Label to be confirmed based on final parking and storage plan.]** "Commercial Parking Stalls" on the Parking and Storage Plan.
- (2) An owner, tenant or occupant of a commercial strata lot will not:
- (a) use any Commercial Parking Stall except the Commercial Parking Stall (if any) which has been specifically assigned to the commercial strata lot or, when specifically agreed with another commercial strata lot owner, the Commercial Parking Stall assigned to the strata lot of that other owner;
  - (b) rent or lease the Commercial Parking Stall assigned to the commercial strata lot or otherwise permit that Commercial Parking Stall to be regularly used by anyone that is not an owner, tenant, occupant, employee, agent or invitee of a commercial strata lot, the strata corporation, the Commercial Section or the tenant under the Commercial Parking Lease;
  - (c) carry out, or permit any guest, employee, agent or invitee of the owner or occupant to carry out, any oil changes, major repairs or adjustments to motor vehicles or other mechanical equipment on common property or on any limited common property, including the Parking Facility, except in the case of emergency. An owner, tenant or occupant of a commercial strata

lot must promptly and at its own expense clean up any oil or other substance which spills or leaks onto the common property or limited common property, howsoever and whensoever such spill or leak occurs, from his or her vehicle, whether as a result of any activity prohibited by these bylaws or otherwise;

- (d) store any boat, boat trailer or recreational vehicle on the common property or permit any guest to do so;
- (e) park or store any vehicle which is inoperable or which cannot be moved under its own power anywhere on the common property, without the prior written approval from the executive of the strata corporation;
- (f) park or store any vehicle within the Parking Facility, the common property or the limited common property, unless such owner, tenant or occupant has obtained adequate insurance in respect thereof;
- (g) store, or permit any guest to store, any personal property, other than bicycles, within the Commercial Parking Stall assigned to the commercial strata lot or otherwise use the Commercial Parking Stall assigned to the commercial strata lot other than for the parking of vehicles and bicycles therein (provided that the owner, tenant or occupant of a commercial strata lot may store personal property in any storage box installed by the developer within the Commercial Parking Stall, if any, assigned to such commercial strata lot);
- (h) rent or lease the Commercial Parking Stall(s) which have been specifically assigned to the commercial strata lot to any person other than an owner, purchaser, occupant or tenant of a commercial strata lot, the strata corporation, the developer or Mackenzie Plaza Parking Co. Ltd.; or
- (i) notwithstanding anything contained herein to the contrary, permit any customer or patron of, or visitor to, a Commercial Lot to park or store a vehicle in any Commercial Stall located in the Underground Parkade or to otherwise access the Underground Parkade.

## **Removal of Vehicles**

- 8.20 Any owner, tenant or occupant vehicle parked in violation of this PART 8 will be subject to removal by a towing company authorized by council, and all costs associated with such removal will be charged to the owner of the strata lot.

## **PART 9 - Voluntary Dispute Resolution**

### **Voluntary dispute resolution**

- 9.1 (1) A dispute among owners, tenants, the strata corporation or any combination of them may be referred to a dispute resolution committee by a party to the dispute if:
- (a) all the parties to the dispute consent, and

- (b) the dispute involves the Act, the regulations, the bylaws or the rules.
- (2) A dispute resolution committee consists of
  - (a) one owner or tenant of the strata corporation nominated by each of the disputing parties and one owner or tenant chosen to chair the committee by the persons nominated by the disputing parties, or
  - (b) any number of persons consented to, or chosen by a method that is consented to, by all the disputing parties.
- (3) The dispute resolution committee must attempt to help the disputing parties to voluntarily end the dispute.

## **PART 10 - Marketing Activities by Developer**

### **Marketing activities**

10.1 Notwithstanding anything to the contrary contained in these bylaws, during the time the developer is the owner or lessee of any strata lot, it and its marketing agents will have the right to:

- (a) maintain any strata lot or strata lots, whether owned or leased by it, as display suites and/or presentation centres and to carry on any marketing, leasing and sales functions within such strata lots and within any area of the common property and/or limited common property of the development including, without limitation, conducting tours of the development and holding marketing, leasing and sales events and other activities;
- (b) erect and maintain signage on such strata lots owned by it and on the common property and/or limited common property of the development;
- (c) have access to and permit public access to any and all parts of the common property, limited common property and common facilities for the purpose of showing strata lots, the common property, the limited common property and the common facilities to prospective purchasers and tenants and their representatives; and
- (d) have the use of such available parking stalls within the development as are required in connection with its marketing, leasing and sales activities,

in each case as may be reasonably determined by the developer. The developer will act reasonably in exercising its rights under this section 10.1.

## **PART 11 - Miscellaneous**

### **Access by Consultants**

11.1 The owners will permit the developer's building consultants and the consultants or representatives of any warranty provider in connection with the construction of the development, to have access to the development from time to time both during and after

such construction thereof and after completion of construction, for the purpose of inspecting and monitoring the building envelope and other components of the buildings comprising the development.

### **Quorum for Annual or Special General Meeting**

- 11.2 If within 15 minutes from the time appointed for an annual or special general meeting a quorum is not present, the eligible voters present in person or by proxy constitute a quorum.
- 11.3 Notwithstanding section 48(3) of the Act, the failure to obtain a quorum for a meeting demanded under section 43 of the Act terminates, and does not adjourn, that meeting.

### **Use of non-residential strata lots**

- 11.4 Notwithstanding bylaw 12.1, neither the owner, nor any tenant or occupant of a non-residential strata lot or any part thereof will use or operate the non-residential strata lot or any part thereof for:
- (a) the sale or rental of any merchandise which consists of “adult only” material; or
  - (b) the sale of marijuana, products including marijuana, other drugs or drug paraphernalia.

As the owners of the residential strata lots have a special interest in this bylaw, this bylaw cannot be amended without resolutions passed by 3/4 votes of each of the strata corporation and the Residential Section.

### **Smoking Prohibition**

- 11.5 (1) Smoking is prohibited everywhere on and within the development, including:
- (a) in a strata lot;
  - (b) on the exterior common property;
  - (c) on the interior common property, including but not limited to in hallways, parking garages, electrical and mechanical rooms;
  - (d) on patios and balconies;
  - (e) within 7.5 metres of a door, window or air intake; and
  - (f) on any land that is a common asset.
- (2) For the purposes of this section, “smoking” includes, without limitation, emitting, causing or permitting any smoke or fume (tobacco, cannabis or otherwise) to emanate from a cigarette, electronic cigarette, vaporizer, hookah, pipe, bong, cigar or similar device or paraphernalia.

- (3) All persons, including, but not limited to, owners, tenants, occupants and visitors of residential strata lots or non-residential strata lots, must comply with this bylaw.

### Shared Parking Spaces

- 11.6 (1) For the purpose of this bylaw, "Shared Parking Stalls" means those parking stalls denoted as **[NTD: Label to be confirmed based on final parking and storage plan.]** "Visitor Parking Stalls" on the Parking and Storage Plan.
- (2) Between the hours of 8 a.m. and 6 p.m., only visitors to, or customers of, non-residential strata lots are permitted to use the Shared Parking Stalls for a maximum period of 2 consecutive hours. For greater certainty, an owner, tenant or occupant of a strata lot will not use a Commercial Parking Stall between the hours of 8 a.m. and 6 p.m. unless such owner is a visitor to, or customer of, a non-residential strata lot.
- (3) Outside the hours of 8 a.m. and 6 p.m., owners, tenants and occupants of strata lots are permitted to use the Shared Parking Stalls, provided that an owner, tenant or occupant of a strata lot will not:
  - (a) carry out, or permit any guest, employee, agent or invitee of the owner or occupant to carry out, any oil changes, major repairs or adjustments to motor vehicles or other mechanical equipment on common property or on any limited common property, including the Parking Facility, except in the case of emergency. An owner, tenant or occupant of a strata lot must promptly and at its own expense clean up any oil or other substance which spills or leaks onto the common property or limited common property, howsoever and whensoever such spill or leak occurs, from his or her vehicle, whether as a result of any activity prohibited by these bylaws or otherwise;
  - (b) store any boat, boat trailer or recreational vehicle on the common property or permit any guest to do so;
  - (c) park or store any vehicle which is inoperable or which cannot be moved under its own power anywhere on the common property, without the prior written approval from the executive of the strata corporation; or
  - (d) park or store any vehicle within the Parking Facility, the common property or the limited common property, unless such owner, tenant or occupant has obtained adequate insurance in respect thereof.
- (4) This bylaw may only be amended by a resolution passed by a 3/4 vote of each of the Residential Section and the Commercial Section.
- (5) All persons, including, but not limited to, owners, tenants, occupants and visitors of residential strata lots or non-residential strata lots, must comply with this bylaw.

- (6) Any owner, tenant or occupant vehicle parked in violation of this Bylaw 11.6 will be subject to removal by a towing company authorized by council, and all costs associated with such removal will be charged to the owner of the strata lot.

## **Noise Control**

- 11.7 (1) An owner, tenant or occupant must not use, or permit any occupant of his or her strata lot or any visitor or invitee of the owner or occupant to use, a strata lot, limited common property or common property in a way or for any purpose that causes unreasonable or undue noise and will take all reasonable steps to satisfy noise complaints from neighbours. Without limiting the generality of this bylaw an owner, tenant, or occupant of a strata lot will avoid, and will cause any occupant of his or her strata lot or any visitor or invitee of the owner or occupant to avoid, any activity that involves undue traffic or noise and the use or operation of noisy equipment (including, without limitation, stereos and speakers) or machinery in or around the strata lot between the hours of 10:00 p.m. and 7:00 a.m. or any activity that encourages loitering by persons in or about the strata lot or the common property.

## **PART 12 - Bylaw Restrictions**

### **Bylaw restrictions**

- 12.1 (1) The strata corporation will neither act nor pass any bylaw or rule which would have the effect of prohibiting, preventing or impairing the owners of the non-residential strata lots from fully utilizing the non-residential strata lots, the Exclusive Commercial Areas and the limited common property appurtenant thereto for non-residential purposes in accordance with the applicable governmental zoning bylaws and rules and regulations in effect from time to time, provided that the activity carried on in the non-residential strata lots, the Exclusive Commercial Areas and the limited common property is not a breach of section 2.3
- (2) Notwithstanding the foregoing, for the purposes of this section 12.1, a noise will not be considered to be a nuisance or unreasonable or repetitive within the meaning of section 2.3 if the use giving rise to such noise is permitted by the applicable governmental zoning bylaws and rules and regulations in effect from time to time.
- (3) The strata corporation will not pass any bylaws or rules which restrict the hours of operation of any business carried on within the non-residential strata lots.
- (4) The strata corporation will not pass any bylaws or rules which prohibit, prevent or impair the ability of an owner or occupant of the non-residential strata lots from leasing, subleasing, granting a licence, entering into any lease, sublease, or license arrangement with respect to the use of the non-residential strata lots, the Exclusive Commercial Areas or the limited common property appurtenant thereto.

- (5) As the owners of the non-residential strata lots have a special interest in this bylaw, this bylaw cannot be amended without resolutions passed by unanimous votes of each of the strata corporation and the Commercial Section.

**SCHEDULE A**

1. **Completion Date.** The Purchaser will pay the balance of the Purchase Price, as adjusted in accordance with this Contract, by way of a SOLICITOR'S CERTIFIED TRUST CHEQUE or BANK DRAFT by NO LATER THAN 2:00 p.m. on the completion date (the "**Completion Date**"), which will be the date identified by written notice given by the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's solicitors/notary (the "**Purchaser's Solicitors**") as a date on which the Strata Lot is or will be ready to be occupied, provided the Vendor or the Vendor's Solicitors will give not less than 10 days' notice thereof. Whether the Strata Lot is ready to be occupied refers to the Strata Lot and not any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if (i) the City of Revelstoke (the "**City**") has given permission to occupy the Strata Lot, whether such permission is temporary, conditional or final and (ii) the applicable land title office (the "**LTO**") has issued a separate title for the Strata Lot. If the Completion Date is a Saturday, Sunday, statutory holiday or a day upon which the LTO is not open for business, the Completion Date will be the immediate following day on which the LTO is open for business. The notice of the Completion Date given by the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitors may be based on the Vendor's estimate as to when the Strata Lot will be ready to be occupied. If the Strata Lot is not ready to be occupied on the Completion Date so established, then the Vendor may delay the Completion Date from time to time as required, by written notice of such delay to the Purchaser or the Purchaser's Solicitors. If the Completion Date has not occurred by the applicable Outside Date (as defined below), then this Contract will terminate on the Outside Date, the Deposit will be returned to the Purchaser and the parties will be released from all of their obligations hereunder, provided that:
- (a) if the Vendor is delayed from completing construction of the Strata Lot as a result of epidemic, pandemic, earthquake, flood or other act of God, fire, explosion, terrorism or accident, howsoever caused, act of any governmental authority, strike, lockout, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the reasonable control of the Vendor, then the Vendor may, at its option, exercisable by written notice to the Purchaser, in addition to any extension pursuant to subsection 1(b) and whether or not any extension described in subsection 1(b) has been exercised, elect to extend the Outside Date by a period equivalent to such period of delay; and
  - (b) the Vendor may, at its option, exercisable by written notice to the Purchaser, in addition to any extension pursuant to subsection 1(a) and whether or not any extension described in subsection 1(a) has been exercised, elect to extend the Outside Date for up to 120 days.

The Purchaser acknowledges that the estimated date range for completion of construction set out in the Disclosure Statement has been provided by the Vendor as a matter of convenience only, is not meant to be legally binding upon the Vendor and that the actual Completion Date will be established in the manner set out above.

In this Contract, "**Outside Date**" means the following:

- (1) if the Strata Lot is in Phase 1, the Outside Date is December 31, 2023; or
- (2) if the Strata Lot is in Phase 2, the Outside Date is July 31, 2024.

2. **Conveyance.** The Purchaser will cause the Purchaser's Solicitors to prepare and deliver to the Vendor's Solicitors at least five days prior to the Completion Date a statement of adjustments and a Freehold Transfer (the "**Transfer**") for the Strata Lot. The Vendor will execute and deliver, or cause to be executed and delivered, the Transfer and the statement of adjustments to the Purchaser's Solicitors on or before the Completion Date on the condition that, forthwith upon the Purchaser's Solicitors obtaining a post registration index search from the LTO indicating that, in the ordinary course of LTO procedure, the Purchaser will become the registered owner of the Strata Lot (subject only to the Permitted Encumbrances and charges for which the Purchaser is responsible), the Purchaser will cause payment of the adjusted balance of the Purchase Price due on the Completion Date to be made by the Purchaser's Solicitors to the Vendor's Solicitors. The transfer of the Strata Lot will also be subject to the Vendor's financing arranged in connection with the Development or any builders' lien claims provided that the Vendor's Solicitors undertake to clear title to the Strata Lot of all encumbrances related to such financing and such builders' liens claims within a reasonable period of time after receiving the balance of the Purchase Price due on the Completion Date. The Purchaser acknowledges that the Vendor's financing may remain as a charge against the common property of the Development until the Vendor has completed the sale of the balance of the strata lots in the Development whereupon the Vendor covenants such financing will be discharged entirely.

If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the Purchase Price on the Completion Date, may wait to pay the Purchase Price to the Vendor until after the Transfer and new mortgage documents have been lodged for registration in the LTO, but only if, before such lodging,

INITIALS	

the Purchaser has: (a) made available for tender to the Vendor that portion of the Purchase Price not secured by the new mortgage; and (b) fulfilled all the new mortgagee's conditions for funding except lodging the mortgage for registration; and (c) made available to the Vendor a solicitor's or notary's undertaking to pay the Purchase Price upon the lodging of the Transfer and new mortgage documents and the advance by the mortgagee of the mortgage proceeds.

**3. Deposit.** The Deposit will be dealt with as follows:

- (a) The Deposit, or any portion thereof, when received, will be deposited by the Vendor's Solicitors in an interest bearing trust account with the interest to accrue to the benefit of the Vendor.
- (b) The Vendor and the Purchaser agree that the total amount of the Deposit (including all portions thereof, whether paid or unpaid) together with interest thereon constitutes a genuine pre-estimate of the damages the Vendor will suffer as a result of the Purchaser's failure to pay any portion of the Deposit when required hereunder or failure to complete the purchase of the Strata Lot in default of its obligations hereunder. If the Purchaser fails to pay any portion of the Deposit when required hereunder or fails to complete the purchase of the Strata Lot in default of his/her/its/their obligations hereunder, then subject to section 7(b) of this Schedule A, the Vendor may elect to terminate this Contract and, in such event, the portion of the Deposit that has been paid together with interest thereon will be absolutely forfeited to the Vendor as liquidated damages, without prejudice to any other remedy which the Vendor may have in respect of the Purchaser's default including, without limitation, the right of the Vendor to pursue the Purchaser for any unpaid balance of the Deposit and to seek additional damages.
- (c) If the Vendor fails to complete the sale of the Strata Lot, then the Deposit paid will be paid to the Purchaser, together with any interest earned thereon, as the Purchaser's sole and exclusive remedy in accordance with section 8.

The Purchaser acknowledges that any payment made by the Purchaser that is returned for non-sufficient funds will be subject to a service charge equal to the amount charged by the applicable financial institution. The Purchaser acknowledges that the Vendor may appoint replacement solicitors for the Vendor's Solicitors and/or cause the Deposit paid and subsequent payments on account of the Deposit to be transferred to the trust account of such replacement solicitors or another trustee (as defined in REDMA), in either case upon written notice to the Purchaser.

Notwithstanding the foregoing, the Purchaser acknowledges and agrees that, in accordance with Section 19 of REDMA, the Vendor may enter into, or has entered into, a deposit protection contract (the "**Deposit Protection Contract**") with an approved insurer, pursuant to which the deposits paid by purchasers of strata lots in the Development, including the Deposit, are insured and, as such, may be released by the Vendor's Solicitors, in whole or in part, to the Vendor and the Vendor may use such deposits for purposes related to the Development, including without limitation, the construction and marketing of the Development in accordance with the provisions of REDMA. Upon the release of the Deposit or any portion thereof to the Vendor in accordance with the Deposit Protection Contract, the provisions of this Contract will be deemed to have been amended accordingly. The Purchaser acknowledges that from and after the release of the Deposit or any portion thereof pursuant to a Deposit Protection Contract, no further interest will be earned on the amount so released.

**4. Possession, Risk and Adjustment.** The Purchaser will assume all taxes, rates, local improvement assessments, water rates and scavenging rates, assessments of the strata corporation (the "**Strata Corporation**") of which the Strata Lot forms a part, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot, including an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the Strata Corporation, will be made as of the Completion Date. The Strata Lot will be at the risk of the Vendor to and including the day preceding the Completion Date, and thereafter at the risk of the Purchaser. So long as the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot have been paid in full, the Purchaser may have possession of the Strata Lot on the day following the Completion Date (the "**Possession Date**").

The Purchaser is responsible for all utility charges as of the Possession Date and must ensure that he/she/it notifies the necessary utility companies to have the utilities transferred into his/her/its/their name on the Possession Date. In the event the Purchaser does not transfer the utilities into his/her/its/their name as of the Possession Date, any charges to the Vendor that should be the Purchaser's responsibility will be paid to the Vendor in full within five Business Days (as defined in section 28 of this Schedule A) after notification thereof from the Vendor. If said amount is not paid within the five Business Day period, then an initial charge of \$50.00, plus a further charge of \$50.00

INITIALS	

each month thereafter, will be applied to the outstanding amount until such amount and such charges are paid in full by the Purchaser.

5. **Builders' Lien Holdback.** That portion, if any, of the balance of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid to the Vendor's Solicitors on the Completion Date. The Lien Holdback will be held in trust for the Purchaser pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the LTO in connection with work done at the behest of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor (or as directed by the Vendor), on the earlier of (i) the date on which the time for filing a claim of lien under the *Builders Lien Act* (British Columbia) expires; and (ii) the date which is 55 days after the date that the balance of the Purchase Price becomes due as aforesaid, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claim filed against the Strata Lot of which the Purchaser or the Purchaser's Solicitors notify the Vendor's Solicitors in writing by 1:00 p.m. on that day. The Purchaser hereby authorizes the Vendor and the Vendor's Solicitors to do all things necessary to discharge any builders' liens, including bringing court proceedings in the name of the Purchaser, provided that any such proceedings will be at the sole expense of the Vendor.
6. **Intentionally deleted.**
7. **Time is of The Essence/Purchaser Default.** Time will be of the essence hereof. If the Purchaser fails to make any payment on account of the Purchase Price (including, without limitation, any portion of the Deposit or the balance of the Purchase Price), together with adjustments thereto as provided herein, when due or fails to pay any other amount payable hereunder when due, then the Vendor may, at its option:
  - (a) terminate this Contract by written notice to the Purchaser and, in such event, the portion of the Deposit that has been paid and all interest accrued thereon will be absolutely forfeited to the Vendor as liquidated damages, the parties agreeing that the total amount of the Deposit (including all portions thereof, whether paid or unpaid) together with interest thereon constitutes a genuine pre-estimate of the damages the Vendor will suffer as a result of the Purchaser's failure to pay, when due, any payment on account of the Purchase Price, together with adjustments thereto as provided herein, or any other amounts payable hereunder, without prejudice to the Vendor's other remedies including, without limitation, the right of the Vendor to pursue the Purchaser for any unpaid balance of the Deposit and to seek additional damages and, subject to the provisions of REDMA, the Vendor's Solicitors are hereby irrevocably authorized and directed by the Purchaser to pay the amount held by them and such interest as may have accrued thereon to the Vendor upon written demand therefor by the Vendor; or
  - (b) elect to extend the date for payment or the Completion Date, as applicable, to a certain date determined by the Vendor, time to remain of the essence hereof and subject to the Vendor's right in its sole discretion, to grant further extensions to a certain date each time, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price, interest on the unpaid portion of the Purchase Price and other unpaid amounts payable hereunder at the rate of 2% per month (26.82% per annum), calculated daily and compounded monthly not in advance, from the date upon which such portion and amounts were due to the date upon which such portion and amounts are paid.

The Vendor may cancel this Contract pursuant to subsection 7(a) of this Schedule A or grant one or more further extensions pursuant to subsection 7(b) of this Schedule A, at any time after extending the date for payment or the Completion Date, as the case may be, pursuant to subsection 7(b) of this Schedule A if the Purchaser fails to make such payment or complete the purchase of the Strata Lot, as the case may be, in accordance with this Contract on or before such extended date.

8. **Vendor's Default.** Notwithstanding anything else contained herein, the Purchaser acknowledges and agrees that any and all claims, whether in contract or tort, which the Purchaser has or hereafter may have against the Vendor in any way arising out of, or related to, the Strata Lot or the Vendor's obligations and covenants pursuant to this Contract will be limited to the amount paid by the Purchaser on account of the Deposit. The Purchaser acknowledges and agrees that if the Vendor fails to complete the sale of the Strata Lot in default of its obligations hereunder, then the Deposit will be repaid to the Purchaser as liquidated damages as the Purchaser's sole and exclusive remedy and the Purchaser will have no further claims whatsoever against the Vendor in respect of such default and the Vendor will have no further obligations or liabilities whatsoever hereunder, and the Purchaser hereby releases and discharges the Vendor from any claim beyond the amount of the Deposit. The Purchaser acknowledges and agrees that the Vendor will not be liable for any damages or costs whatsoever beyond the amount of the Deposit which may be incurred by the Purchaser resulting from any such failure including, without limiting the generality of the foregoing, relocation costs,

professional fees and disbursements, opportunity costs, loss of bargain, damages and/or costs resulting from hardship or any other damages or costs incurred by the Purchaser, directly or indirectly, as a result of the Vendor's default.

9. **Entire Contract/Representations.** The Purchaser acknowledges and agrees that this Contract constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts, expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, including, without limitation, arising out of any sales brochures, models, websites, social media, blogs, Twitter, Facebook, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for his/her/its/their viewing other than those contained herein and in the Disclosure Statement. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floor plans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

10. **Construction.**

- (a) The Vendor will cause the Strata Lot to be constructed and completed in a good and workmanlike manner substantially in accordance with the plans and specifications (the "**Plans and Specifications**") for the Development prepared by the Vendor's architect(s) for the Development (the "**Architect**") subject to any changes required by the City. The Vendor may make alterations to the features, design and layout of the Strata Lot which are desirable in the reasonable discretion of the Vendor and may use materials other than as prescribed in the Plans and Specifications if they are reasonably similar to what is prescribed. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The Purchaser is aware that the preliminary strata plan (the "**Preliminary Plan**") for the phase of the Development in which the Strata Lot is located, a copy of which Preliminary Plan is attached to the Disclosure Statement as Exhibit A-1 or Exhibit A-2, as the case may be, is based on architectural drawings and measurements. The actual size, dimensions and/or configuration of the Strata Lot including any balcony, patio or deck, as set forth in the final strata plan (the "**Final Strata Plan**") for the phase of the Development in which the Strata Lot is located may vary from what is depicted on the Preliminary Plan. The areas and dimensions of the strata lots (including the Strata Lot) in the Development set out in the marketing materials referred to in section 9 of this Schedule A, including balconies, patios and decks, are approximate, based on architectural drawings and provided for reference purposes only, and are not represented as being the actual final areas and dimensions. The Vendor represents and warrants that the actual area of the Strata Lot, as set forth in the Final Strata Plan, will be no more than 3% smaller than indicated in the Disclosure Statement when both measurements are calculated in accordance with the *Strata Property Act* (British Columbia). If the Strata Lot is more than 3% smaller, then the Purchase Price will be reduced by a percentage equal to the number of percent (rounded to the nearest one-hundredth of a percentage point) by which the Strata Lot is more than 3% smaller and for greater certainty, the foregoing will be the Purchaser's sole remedy in respect thereof.
- (b) The Purchaser acknowledges that the Development will include service facilities and equipment required in connection therewith such as transformers, fire hydrants, vents, ducts, fans and other such facilities and equipment (the "**Service Facilities**"). The Service Facilities will be located within the Development as required by the City or recommended by the Vendor's consultants. The Purchaser acknowledges that the current plans for the Development may not indicate the location of all the Service Facilities and that the Vendor reserves the right to relocate, add or delete all or a portion of the Service Facilities as deemed necessary by the Vendor, without compensation to the Purchaser.
- (c) The Purchaser will make the selection of colour scheme, materials and optional items (to the extent the Vendor permits such selection to be made) and pay any additional costs therefor, promptly when requested to do so by the Vendor. If the Purchaser fails to do so, the Vendor may make any such selection and the Purchaser will be bound thereby and will pay any additional costs associated with such selection.
- (d) Due to the natural variation of colour and texture in any wood, stone, granite, and dye lots of any tile, carpet and other components of the Strata Lot and the fact that the colour of natural products (especially wood) will change over time, the finishes of any wood, granite, tile, stone, carpet and other components of the Strata Lot may differ from the colour, grain, vein, pattern, size, stain resistance and textures shown in the display unit or any samples provided to or viewed by the Purchaser. In addition, even within the Strata Lot, the

INITIALS	

textures, colours and finishes may vary for the same reasons. The variations are inherent characteristics which cannot be fully controlled and any such variations will not in any event be considered or deemed to be deficiencies in the Strata Lot.

- (e) The Purchaser acknowledges and agrees that the ceiling heights of all strata lots in the Development may vary from floor to floor and may have areas of the ceilings dropped down from the typical height of the ceilings in order to accommodate construction requirements including, but not limited to, mechanical, electrical equipment, ducting, ventilation systems, plumbing and structural requirements.

**11. Purchaser Acknowledgements.** The Purchaser acknowledges and agrees that:

- (a) the Deposit payment (or portion thereof) that is paid will not begin to bear interest until after it is deposited into the Vendor's Solicitors' trust account which may, in the Vendor's discretion, be after the expiry of all statutory rescission periods;
- (b) the municipal address(es) of the Development, the suite and strata lot number assigned to the Strata Lot and the number assigned to the floor in the Development on which the Strata Lot is located are subject to change as determined by the Vendor or the City;
- (c) the Completion Date may be any day up to and including the Outside Date, as extended pursuant to subsection 1(a) and 1(b) of this Schedule A and the Purchaser releases the Vendor and its affiliates from any actions, causes of action, costs, claims, demands and liabilities arising as a result of the date on which the Completion Date occurs;
- (d) the Development will include certain commercial units (the "**Commercial Lots**") that may be used for commercial purposes in accordance with the applicable bylaws of the City and may involve the emission of odours, noise from service and delivery vehicles and garbage storage and disposal, loading bay usage, business hours which may include operations up to 24 hour per day, commercial pedestrian and vehicular traffic, idling vehicles, commercial and public use of the common areas, garbage compactor operation, roof top HVAC operation and other activities associated with such commercial uses. The Purchaser acknowledges and agrees that neither the owner, tenants or users of the Commercial Lots nor the Vendor will be liable or responsible for any inconvenience, nuisance, expense, cost, injury, damage, loss or disturbance to the Development or any portion thereof or to the owners or occupants from time to time of the Development or the Strata Corporation arising from, in connection with or incidental to the use and operation of the Commercial Lots, including, without limitation, any disturbance described in this subsection 11(d), so that neither the owners or occupants of the Development nor the Strata Corporation will have any right of action at law or in equity against the owner, tenants or occupants of the Commercial Lots or the Vendor in respect thereof;
- (e) in the event of any discrepancy between the strata lot number and suite number set out on page 1 of this Contract, the Strata Lot is the strata lot labelled on the Preliminary Plan with the strata lot number set out on page 1 of this Contract, as the same may change as contemplated in subsection 11(b);
- (f) the parking stalls and storage lockers in the Development, including any parking stall(s) and storage locker(s) to which the Purchaser is entitled hereunder, if any, will vary in size, shape and convenience of location, and the parking stalls and storage lockers in the Development, including any parking stall(s) and storage locker(s) to which the Purchaser is entitled hereunder, if any, may be partially obstructed by columns, pipes, ducts, mechanical equipment, electrical equipment and other facilities, and the Purchaser will accept any parking stall(s) and storage locker(s) to which the Purchaser is entitled hereunder, if any, on an "as is, where is" basis and will have no claim against the Vendor in respect of any variation in the size, shape or convenience of location of such parking stall(s) and / or storage locker(s) or any partial obstruction of such parking stall(s) and / or storage locker(s);
- (g) the Strata Lot forms a part of a phased development and the Purchaser understands and accepts that the Purchaser may be inconvenienced by ongoing construction activities relating to other phase(s) of the Development which may, from time to time, result in noise, vibrations, odours, dirt, dust and such other irritants that are associated with construction projects similar to the Development; and
- (h) it has read and understood the summary of the legal notations, covenants, easements, statutory rights of way and other encumbrances that are described in subsections 4.3 and 4.4 of the Disclosure Statement.

**12. Inspection.** The Vendor warrants that, on the Completion Date, the Strata Lot and the common property in completed phases of the Development will be registered under a third party new home warranty provider. The Purchaser or his/her/its/their representative will have the right to inspect the Strata Lot with a representative of the Vendor at a reasonable time designated by the Vendor by written notice or by telephone prior to the Completion Date and a refusal or failure by the Purchaser to inspect the Strata Lot at such time will be deemed to be a waiver and forfeiture of such right, in which case the Purchaser will be deemed to be satisfied with and to have accepted the physical condition of the Strata Lot (including the existing kitchen, bathrooms and other installations, equipment, appliances and furnishings in the Strata Lot) on the Completion Date. At the conclusion of such inspection, the Vendor will prepare a conclusive list of any defects or deficiencies (the "**Deficiencies**") which are to be rectified by the Vendor. The parties will sign the list and the Purchaser will be deemed to be satisfied with and to have accepted the physical condition of the Strata Lot (including the existing kitchen, bathrooms and other installations, equipment, appliances and furnishings) subject only to the Deficiencies. If the Purchaser does not sign the Deficiencies list, the Purchaser will be deemed to be satisfied with and to have accepted the physical condition of the Strata Lot (including the existing kitchen, bathroom and other installations, equipment, appliances and furnishings). The Purchaser covenants and agrees to complete the purchase of the Strata Lot on the Completion Date on the terms and conditions herein contained notwithstanding that the Deficiencies may be rectified subsequent to the Completion Date. The Purchaser will not be allowed to have access to the Strata Lot except for this inspection prior to the Possession Date. No holdback will be made on closing in respect of the Deficiencies or other deficiencies. In the event of a disagreement between the Purchaser and the Vendor as to what constitutes a defect or deficiency, or whether or not a defect or deficiency has been rectified, the decision of the Architect or any replacement therefor appointed by the Vendor will be conclusive, final and binding on the parties. Following the Completion Date, the Purchaser agrees to provide the Vendor and its representatives, contractors and agents with access to the Strata Lot at all reasonable times on 24 hours' notice from the Vendor in order for the Vendor or its representatives, contractors or agents to rectify any outstanding Deficiencies, and the Purchaser will in no manner interfere with or impede any such person while he or she is carrying out such work.

**13. Costs/Sales and Transfer Taxes.** The Purchaser will pay all taxes and costs in connection with the sale and purchase of the Strata Lot (including property transfer tax, any additional property transfer tax payable if the Purchaser is a foreign entity, a taxable trustee or both and any GST or any other federal or provincial sales, service, value added, transition or other tax required to be paid by the Purchaser in connection with the purchase and sale of the Strata Lot and the equipment and appliances included with the Strata Lot), other than the costs of the Vendor incurred in clearing title to the Strata Lot. Without limiting the generality of the foregoing, the Purchaser agrees that the Purchase Price does not include any applicable taxes (including GST or any other federal or provincial sales, service, value added, transition or other tax) that may be applicable to the sale of the Strata Lot (and any equipment and appliances included with it) hereunder whether levied against the Purchaser or the Vendor, all of which will be payable by the Purchaser on the Completion Date in addition to the Purchase Price.

If and to the extent required under Part IX of the *Excise Tax Act* (Canada), and subject to the foregoing, the Purchaser will remit to the Vendor on the Completion Date any GST that may be exigible under Part IX of the *Excise Tax Act* (Canada) in respect of the transaction contemplated herein, and the Vendor agrees that it will remit or otherwise account for such funds to Canada Revenue Agency ("**CRA**") in accordance with its obligations under Part IX of the *Excise Tax Act* (Canada) and the foregoing. Notwithstanding the foregoing, if the Purchaser is a corporation, trust or partnership which is registered for GST purposes and, on or before the Completion Date, the Purchaser provides the Vendor with a certificate as to the GST registered status of the Purchaser containing the Purchaser's GST registration number, the Purchaser will not be required to pay the GST to the Vendor but will be liable for, will self-assess and will remit same directly to CRA. The Purchaser will indemnify and save harmless the Vendor from and against any and all GST, penalties, costs and/or interest which may become payable by or assessed against the Vendor as a result of any failure by the Purchaser to comply with the foregoing and such indemnity will survive and not merge upon closing of the sale of the Strata Lot contemplated herein. The Purchaser acknowledges that the Vendor will have no obligation to adjust the Purchase Price to credit the Purchaser for any new housing rebate to which the Purchaser might be entitled.

**14. Requirements under REDMA respecting Assignments.**

- (a) In accordance with section 20.3(1) of REDMA and section 10.2(1) of the *Real Estate Development Marketing Regulation*, B.C. Reg. 505/2004 (the "**REDMA Regulation**"), the Vendor and the Purchaser agree as follows:

- (b) Pursuant to section 20.3(1) of REDMA and section 10.2(2) of the REDMA Regulation, the Vendor hereby gives notice to the Purchaser of the following:
  - (i) Before the Vendor consents to the assignment of this Contract, the Vendor will be required to collect information and records under REDMA from each proposed party to an assignment agreement, including personal information, respecting the following:
    - A. the party's identity;
    - B. the party's contact and business information; and
    - C. the terms of the assignment agreement.
  - (ii) Information and records collected by the Vendor must be reported by the Vendor to the administrator designated under the *Property Transfer Tax Act*. The information and records may only be used or disclosed for tax purposes and other purposes authorized by section 20.5 of REDMA, which includes disclosure to the Canada Revenue Agency.
- (c) Without limiting anything set out in subsections 14(a) or 14(b), prior to the Vendor consenting to any assignment of this Contract, the Purchaser will cause each proposed party to an assignment agreement to give to the Vendor all information and records prescribed pursuant to section 20.3(2) of REDMA and/or section 10.3 of the REDMA Regulation (collectively, the "**Prescribed Information and Records**").
- (d) If the Vendor consents to any assignment of this Contract, the Purchaser will cause the parties to the assignment agreement to forthwith deliver to the Vendor a copy of the written and signed assignment agreement, and the Purchaser acknowledges and agrees that the Vendor may keep and use such copy of the assignment agreement for such purposes as may be required or permitted under REDMA or the REDMA Regulation.
- (e) The Purchaser acknowledges and agrees that the Vendor may, at any time and from time to time, (i) file the Prescribed Information and Records, as well as any other information and records regarding the Purchaser, any assignee or proposed assignee of this Contract and/or any assignment or proposed assignment of this Contract, with the administrator designated under the *Property Transfer Tax Act* and (ii) disclose the Prescribed Information and Records and such other information and records to such persons as may otherwise be required by law.
- (f) Forthwith upon the request of the Vendor, the Purchaser will provide, and will cause any assignee or proposed assignee of this Contract to provide, such other information and records as the Vendor may require or desire in connection with any assignment or proposed assignment of this Contract, including information regarding the Purchaser, the assignee or proposed assignee and/or the assignment or proposed assignment of this Contract. The Purchaser acknowledges that REDMA may be amended from time to time to modify the obligations and requirements, or to impose additional obligations and requirements, of the Vendor and/or the Purchaser with respect to assignments of purchase contracts, and the Purchaser covenants and agrees to comply with all such obligations and requirements and to cooperate with the Vendor and promptly comply with all requests of the Vendor in relation to such obligations and requirements.
- (g) For greater certainty, and notwithstanding anything else in this section 14 the notices, terms and conditions in this section 14 do not: (i) constitute consent by the Vendor to any assignment of this Contract; (ii) obligate the Vendor to consent to any assignment of this Contract; or (iii) derogate from, diminish, limit, amend or affect the Vendor's right to arbitrarily withhold its consent to any assignment of this Contract in the Vendor's sole and unfettered discretion pursuant to section 15 of this Contract. Accordingly, the Purchaser should not enter into this Contract with any expectation of, on reliance upon, the Purchaser's ability to assign this Contract in the future.

#### 15. Assignment.

- (a) The Purchaser will not assign its interest in the Strata Lot or in this Contract without the prior written consent of the Vendor, which consent may be arbitrarily withheld in the Vendor's sole and unfettered discretion, and,

INITIALS	

without limiting the foregoing, the Vendor may withhold its consent in accordance with section 14 above. Unless the Vendor so consents, the Vendor is not required to convey the Strata Lot to anyone other than the Purchaser named in this Contract. Any consent permitted hereunder will be in the form of consent provided by the Vendor.

- (b) The Purchaser will not, at any time before the Completion Date, advertise or solicit offers from the public with respect to the assignment of this Contract or the resale of the Strata Lot by the Purchaser without the prior written consent of the Vendor, which consent may be arbitrarily withheld in the Vendor's sole and unfettered discretion, and in particular, the Purchaser will not list the Strata lot or the Purchaser's interest in this Contract on any Multiple Listing Service (MLS).
- (c) As a condition for agreeing to an assignment of the Purchaser's interest in the Strata Lot or in this Contract and for any associated legal and administrative costs, the Vendor may, at its sole option, charge the Purchaser an administration fee equal to 2% of the aggregate of:
- (i) an amount equal to any consideration paid by the assignee to the Purchaser in relation to the assignment plus applicable taxes thereon; and
  - (ii) the Purchase Price plus applicable taxes thereon.
- (d) Notwithstanding paragraph 15(c)(i) and 15(c)(ii), the Vendor will charge the Purchaser a flat fee of \$350.00 plus applicable taxes thereon if the assignee is the Purchaser's spouse, parent, child, grandparent, grandchild or sibling or a company controlled by the Purchaser. Following any assignment, the assignor will not be relieved of its obligations under this Contract but will continue to remain liable to perform all obligations of the Purchaser under this Contract.
- 16. Continuing Construction and Marketing.** The Purchaser agrees that the Vendor may continue to carry out construction work on the Development after the completion of the purchase of the Strata Lot by the Purchaser, including, without limitation, construction of future phase(s), if any. The Purchaser acknowledges and accepts that such work may cause inconvenience to the use and enjoyment of the Strata Lot. The Purchaser will not impede or interfere with the Vendor's completion of construction of other strata lots, the common property or the Development. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise to market the Development. The Purchaser agrees that for so long as the Vendor is the owner of any strata lots in the Development, the Vendor may carry out marketing, promotional and sales activities within the common property (including parking stalls and recreational facilities) of the Development or strata lots owned or leased by the Vendor, including, without limitation, maintaining display suites, other display areas, parking areas and signage (including signage on the exterior of the Development) and permitting public access to same for the purpose of marketing any unsold strata lots in the Development. In addition, the Vendor may conduct tours of the Development from time to time with prospective purchasers and hold events and other activities within the Development in connection with the marketing and sales activities for the Development.
- 17. Proxies.** The Purchaser covenants and agree to, on or before the Completion Date and from time to time thereafter as the Developer may request, grant proxies to the Developer or to such other entities as the Developer may direct, in such form and containing such terms and conditions as the Developer may determine, in its sole discretion, permitting the Developer or such other entities to exercise the Purchaser's vote in the Strata Corporation, the commercial section of the Strata Corporation and/or the residential section of the Strata Corporation, as applicable, to, among other things, amend any strata plan(s) filed in the LTO in respect of the Development or any phase thereof or designate certain areas on such strata plans as limited common property for the exclusive use of one or more strata lots in the Development (including, without limitation, as limited common property for all of the residential strata lots in the Development or as limited common property for all of the commercial strata lots in the Development), and the Purchaser further covenants and agrees not to revoke such proxies. The Purchaser's covenants and obligations contained in this section 17 will survive and not merge upon the completion of the purchase and sale of the Strata Lot contemplated herein.

**SCHEDULE A**

1. **Completion Date.** The Purchaser will pay the balance of the Purchase Price, as adjusted in accordance with this Contract, by way of a SOLICITOR'S CERTIFIED TRUST CHEQUE or BANK DRAFT by NO LATER THAN 2:00 p.m. on the completion date (the "**Completion Date**"), which will be the date identified by written notice given by the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's solicitors/notary (the "**Purchaser's Solicitors**") as a date on which the Strata Lot is or will be ready to be occupied, provided the Vendor or the Vendor's Solicitors will give not less than 10 days' notice thereof. Whether the Strata Lot is ready to be occupied refers to the Strata Lot and not any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if (i) the City of Revelstoke (the "**City**") has given permission to occupy the Strata Lot, whether such permission is temporary, conditional or final and (ii) the applicable land title office (the "**LTO**") has issued a separate title for the Strata Lot. If the Completion Date is a Saturday, Sunday, statutory holiday or a day upon which the LTO is not open for business, the Completion Date will be the immediate following day on which the LTO is open for business. The notice of the Completion Date given by the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitors may be based on the Vendor's estimate as to when the Strata Lot will be ready to be occupied. If the Strata Lot is not ready to be occupied on the Completion Date so established, then the Vendor may delay the Completion Date from time to time as required, by written notice of such delay to the Purchaser or the Purchaser's Solicitors. If the Completion Date has not occurred by the applicable Outside Date (as defined below), then this Contract will terminate on the Outside Date, the Deposit will be returned to the Purchaser and the parties will be released from all of their obligations hereunder, provided that:
- (a) if the Vendor is delayed from completing construction of the Strata Lot as a result of epidemic, pandemic, earthquake, flood or other act of God, fire, explosion, terrorism or accident, howsoever caused, act of any governmental authority, strike, lockout, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the reasonable control of the Vendor, then the Vendor may, at its option, exercisable by written notice to the Purchaser, in addition to any extension pursuant to subsection 1(b) and whether or not any extension described in subsection 1(b) has been exercised, elect to extend the Outside Date by a period equivalent to such period of delay; and
  - (b) the Vendor may, at its option, exercisable by written notice to the Purchaser, in addition to any extension pursuant to subsection 1(a) and whether or not any extension described in subsection 1(a) has been exercised, elect to extend the Outside Date for up to 120 days.

The Purchaser acknowledges that the estimated date range for completion of construction set out in the Disclosure Statement has been provided by the Vendor as a matter of convenience only, is not meant to be legally binding upon the Vendor and that the actual Completion Date will be established in the manner set out above.

In this Contract, "**Outside Date**" means the following:

- (1) if the Strata Lot is in Phase 1, the Outside Date is December 31, 2023; or
- (2) if the Strata Lot is in Phase 2, the Outside Date is July 31, 2024.

2. **Conveyance.** The Purchaser will cause the Purchaser's Solicitors to prepare and deliver to the Vendor's Solicitors at least five days prior to the Completion Date a statement of adjustments and a Freehold Transfer (the "**Transfer**") for the Strata Lot. The Vendor will execute and deliver, or cause to be executed and delivered, the Transfer and the statement of adjustments to the Purchaser's Solicitors on or before the Completion Date on the condition that, forthwith upon the Purchaser's Solicitors obtaining a post registration index search from the LTO indicating that, in the ordinary course of LTO procedure, the Purchaser will become the registered owner of the Strata Lot (subject only to the Permitted Encumbrances and charges for which the Purchaser is responsible), the Purchaser will cause payment of the adjusted balance of the Purchase Price due on the Completion Date to be made by the Purchaser's Solicitors to the Vendor's Solicitors. The transfer of the Strata Lot will also be subject to the Vendor's financing arranged in connection with the Development or any builders' lien claims provided that the Vendor's Solicitors undertake to clear title to the Strata Lot of all encumbrances related to such financing and such builders' liens claims within a reasonable period of time after receiving the balance of the Purchase Price due on the Completion Date. The Purchaser acknowledges that the Vendor's financing may remain as a charge against the common property of the Development until the Vendor has completed the sale of the balance of the strata lots in the Development whereupon the Vendor covenants such financing will be discharged entirely.

If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the Purchase Price on the Completion Date, may wait to pay the Purchase Price to the Vendor until after the Transfer and new mortgage documents have been lodged for registration in the LTO, but only if, before such lodging,

INITIALS	

the Purchaser has: (a) made available for tender to the Vendor that portion of the Purchase Price not secured by the new mortgage; and (b) fulfilled all the new mortgagee's conditions for funding except lodging the mortgage for registration; and (c) made available to the Vendor a solicitor's or notary's undertaking to pay the Purchase Price upon the lodging of the Transfer and new mortgage documents and the advance by the mortgagee of the mortgage proceeds.

**3. Deposit.** The Deposit will be dealt with as follows:

- (a) The Deposit, or any portion thereof, when received, will be deposited by the Vendor's Solicitors in an interest bearing trust account with the interest to accrue to the benefit of the Vendor.
- (b) The Vendor and the Purchaser agree that the total amount of the Deposit (including all portions thereof, whether paid or unpaid) together with interest thereon constitutes a genuine pre-estimate of the damages the Vendor will suffer as a result of the Purchaser's failure to pay any portion of the Deposit when required hereunder or failure to complete the purchase of the Strata Lot in default of its obligations hereunder. If the Purchaser fails to pay any portion of the Deposit when required hereunder or fails to complete the purchase of the Strata Lot in default of his/her/its/their obligations hereunder, then subject to section 7(b) of this Schedule A, the Vendor may elect to terminate this Contract and, in such event, the portion of the Deposit that has been paid together with interest thereon will be absolutely forfeited to the Vendor as liquidated damages, without prejudice to any other remedy which the Vendor may have in respect of the Purchaser's default including, without limitation, the right of the Vendor to pursue the Purchaser for any unpaid balance of the Deposit and to seek additional damages.
- (c) If the Vendor fails to complete the sale of the Strata Lot, then the Deposit paid will be paid to the Purchaser, together with any interest earned thereon, as the Purchaser's sole and exclusive remedy in accordance with section 8.

The Purchaser acknowledges that any payment made by the Purchaser that is returned for non-sufficient funds will be subject to a service charge equal to the amount charged by the applicable financial institution. The Purchaser acknowledges that the Vendor may appoint replacement solicitors for the Vendor's Solicitors and/or cause the Deposit paid and subsequent payments on account of the Deposit to be transferred to the trust account of such replacement solicitors or another trustee (as defined in REDMA), in either case upon written notice to the Purchaser.

Notwithstanding the foregoing, the Purchaser acknowledges and agrees that, in accordance with Section 19 of REDMA, the Vendor may enter into, or has entered into, a deposit protection contract (the "**Deposit Protection Contract**") with an approved insurer, pursuant to which the deposits paid by purchasers of strata lots in the Development, including the Deposit, are insured and, as such, may be released by the Vendor's Solicitors, in whole or in part, to the Vendor and the Vendor may use such deposits for purposes related to the Development, including without limitation, the construction and marketing of the Development in accordance with the provisions of REDMA. Upon the release of the Deposit or any portion thereof to the Vendor in accordance with the Deposit Protection Contract, the provisions of this Contract will be deemed to have been amended accordingly. The Purchaser acknowledges that from and after the release of the Deposit or any portion thereof pursuant to a Deposit Protection Contract, no further interest will be earned on the amount so released.

**4. Possession, Risk and Adjustment.** The Purchaser will assume all taxes, rates, local improvement assessments, water rates and scavenging rates, assessments of the strata corporation (the "**Strata Corporation**") of which the Strata Lot forms a part, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot, including an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the Strata Corporation, will be made as of the Completion Date. The Strata Lot will be at the risk of the Vendor to and including the day preceding the Completion Date, and thereafter at the risk of the Purchaser. So long as the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot have been paid in full, the Purchaser may have possession of the Strata Lot on the day following the Completion Date (the "**Possession Date**").

The Purchaser is responsible for all utility charges as of the Possession Date and must ensure that he/she/it notifies the necessary utility companies to have the utilities transferred into his/her/its/their name on the Possession Date. In the event the Purchaser does not transfer the utilities into his/her/its/their name as of the Possession Date, any charges to the Vendor that should be the Purchaser's responsibility will be paid to the Vendor in full within five Business Days (as defined in section 28 of this Schedule A) after notification thereof from the Vendor. If said amount is not paid within the five Business Day period, then an initial charge of \$50.00, plus a further charge of \$50.00

INITIALS	

each month thereafter, will be applied to the outstanding amount until such amount and such charges are paid in full by the Purchaser.

5. **Builders' Lien Holdback.** That portion, if any, of the balance of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid to the Vendor's Solicitors on the Completion Date. The Lien Holdback will be held in trust for the Purchaser pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the LTO in connection with work done at the behest of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor (or as directed by the Vendor), on the earlier of (i) the date on which the time for filing a claim of lien under the *Builders Lien Act* (British Columbia) expires; and (ii) the date which is 55 days after the date that the balance of the Purchase Price becomes due as aforesaid, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claim filed against the Strata Lot of which the Purchaser or the Purchaser's Solicitors notify the Vendor's Solicitors in writing by 1:00 p.m. on that day. The Purchaser hereby authorizes the Vendor and the Vendor's Solicitors to do all things necessary to discharge any builders' liens, including bringing court proceedings in the name of the Purchaser, provided that any such proceedings will be at the sole expense of the Vendor.
6. **Intentionally deleted.**
7. **Time is of The Essence/Purchaser Default.** Time will be of the essence hereof. If the Purchaser fails to make any payment on account of the Purchase Price (including, without limitation, any portion of the Deposit or the balance of the Purchase Price), together with adjustments thereto as provided herein, when due or fails to pay any other amount payable hereunder when due, then the Vendor may, at its option:
  - (a) terminate this Contract by written notice to the Purchaser and, in such event, the portion of the Deposit that has been paid and all interest accrued thereon will be absolutely forfeited to the Vendor as liquidated damages, the parties agreeing that the total amount of the Deposit (including all portions thereof, whether paid or unpaid) together with interest thereon constitutes a genuine pre-estimate of the damages the Vendor will suffer as a result of the Purchaser's failure to pay, when due, any payment on account of the Purchase Price, together with adjustments thereto as provided herein, or any other amounts payable hereunder, without prejudice to the Vendor's other remedies including, without limitation, the right of the Vendor to pursue the Purchaser for any unpaid balance of the Deposit and to seek additional damages and, subject to the provisions of REDMA, the Vendor's Solicitors are hereby irrevocably authorized and directed by the Purchaser to pay the amount held by them and such interest as may have accrued thereon to the Vendor upon written demand therefor by the Vendor; or
  - (b) elect to extend the date for payment or the Completion Date, as applicable, to a certain date determined by the Vendor, time to remain of the essence hereof and subject to the Vendor's right in its sole discretion, to grant further extensions to a certain date each time, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price, interest on the unpaid portion of the Purchase Price and other unpaid amounts payable hereunder at the rate of 2% per month (26.82% per annum), calculated daily and compounded monthly not in advance, from the date upon which such portion and amounts were due to the date upon which such portion and amounts are paid.

The Vendor may cancel this Contract pursuant to subsection 7(a) of this Schedule A or grant one or more further extensions pursuant to subsection 7(b) of this Schedule A, at any time after extending the date for payment or the Completion Date, as the case may be, pursuant to subsection 7(b) of this Schedule A if the Purchaser fails to make such payment or complete the purchase of the Strata Lot, as the case may be, in accordance with this Contract on or before such extended date.

8. **Vendor's Default.** Notwithstanding anything else contained herein, the Purchaser acknowledges and agrees that any and all claims, whether in contract or tort, which the Purchaser has or hereafter may have against the Vendor in any way arising out of, or related to, the Strata Lot or the Vendor's obligations and covenants pursuant to this Contract will be limited to the amount paid by the Purchaser on account of the Deposit. The Purchaser acknowledges and agrees that if the Vendor fails to complete the sale of the Strata Lot in default of its obligations hereunder, then the Deposit will be repaid to the Purchaser as liquidated damages as the Purchaser's sole and exclusive remedy and the Purchaser will have no further claims whatsoever against the Vendor in respect of such default and the Vendor will have no further obligations or liabilities whatsoever hereunder, and the Purchaser hereby releases and discharges the Vendor from any claim beyond the amount of the Deposit. The Purchaser acknowledges and agrees that the Vendor will not be liable for any damages or costs whatsoever beyond the amount of the Deposit which may be incurred by the Purchaser resulting from any such failure including, without limiting the generality of the foregoing, relocation costs,

INITIALS	

professional fees and disbursements, opportunity costs, loss of bargain, damages and/or costs resulting from hardship or any other damages or costs incurred by the Purchaser, directly or indirectly, as a result of the Vendor's default.

9. **Entire Contract/Representations.** The Purchaser acknowledges and agrees that this Contract constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts, expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, including, without limitation, arising out of any sales brochures, models, websites, social media, blogs, Twitter, Facebook, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for his/her/its/their viewing other than those contained herein and in the Disclosure Statement. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floor plans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

10. **Construction.**

- (a) The Vendor will cause the Strata Lot to be constructed to a commercial shell condition in accordance with the specifications set forth in Schedule B to this Contract (the "**Commercial Shell Condition**"), in a good and workmanlike manner substantially in accordance with the plans and specifications (the "**Plans and Specifications**") for the Development prepared by the Vendor's architect(s) for the Development (the "**Architect**") subject to any changes required by the City. The Vendor may make alterations to the features, design and layout of the Strata Lot which are desirable in the reasonable discretion of the Vendor and may use materials other than as prescribed in the Plans and Specifications if they are reasonably similar to what is prescribed. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics.
- (b) For greater certainty, the Purchaser and Vendor acknowledge and agree that:
- (i) the Vendor is responsible for providing to the Purchaser the Strata Lot in the Commercial Shell Condition only;
  - (ii) the Vendor will not be required to perform any additional work in respect of the Strata Lot whatsoever; and
  - (iii) the Purchaser will be responsible, at its sole cost, for performing all other work in respect of the Strata Lot as it may deem necessary and for obtaining all necessary approvals and permits in respect thereof.
- (c) The Purchaser is aware that the preliminary strata plan (the "**Preliminary Plan**") for the phase of the Development in which the Strata Lot is located, a copy of which Preliminary Plan is attached to the Disclosure Statement as Exhibit A-1 or Exhibit A-2, as the case may be, is based on architectural drawings and measurements. The actual size, dimensions and/or configuration of the Strata Lot including any balcony, patio or deck, as set forth in the final strata plan (the "**Final Strata Plan**") for the phase of the Development in which the Strata Lot is located may vary from what is depicted on the Preliminary Plan. The areas and dimensions of the strata lots (including the Strata Lot) in the Development set out in the marketing materials referred to in section 9 of this Schedule A, including balconies, patios and decks, are approximate, based on architectural drawings and provided for reference purposes only, and are not represented as being the actual final areas and dimensions. The Vendor represents and warrants that the actual area of the Strata Lot, as set forth in the Final Strata Plan, will be no more than 3% smaller than indicated in the Disclosure Statement when both measurements are calculated in accordance with the Strata Property Act (British Columbia). If the Strata Lot is more than 3% smaller, then the Purchase Price will be reduced by a percentage equal to the number of percent (rounded to the nearest one-hundredth of a percentage point) by which the Strata Lot is more than 3% smaller and for greater certainty, the foregoing will be the Purchaser's sole remedy in respect thereof.
- (d) The Purchaser acknowledges that the Development will include service facilities and equipment required in connection therewith such as transformers, fire hydrants, vents, ducts, fans and other such facilities and equipment (the "**Service Facilities**"). The Service Facilities will be located within the Development as

INITIALS	

required by the City or recommended by the Vendor's consultants. The Purchaser acknowledges that the current plans for the Development may not indicate the location of all the Service Facilities and that the Vendor reserves the right to relocate, add or delete all or a portion of the Service Facilities as deemed necessary by the Vendor, without compensation to the Purchaser.

- (e) The Purchaser acknowledges and agrees that the ceiling heights of all strata lots in the Development may vary from floor to floor and may have areas of the ceilings dropped down from the typical height of the ceilings in order to accommodate construction requirements including, but not limited to, mechanical, electrical equipment, ducting, ventilation systems, plumbing and structural requirements.

**11. Purchaser Acknowledgements.** The Purchaser acknowledges and agrees that:

- (a) the Deposit payment (or portion thereof) that is paid will not begin to bear interest until after it is deposited into the Vendor's Solicitors' trust account which may, in the Vendor's discretion, be after the expiry of all statutory rescission periods;
- (b) the municipal address(es) of the Development, the suite and strata lot number assigned to the Strata Lot and the number assigned to the floor in the Development on which the Strata Lot is located are subject to change as determined by the Vendor or the City;
- (c) the Completion Date may be any day up to and including the Outside Date, as extended pursuant to subsection 1(a) and 1(b) of this Schedule A and the Purchaser releases the Vendor and its affiliates from any actions, causes of action, costs, claims, demands and liabilities arising as a result of the date on which the Completion Date occurs;
- (d) the Development will include certain residential units (the "**Residential Lots**") that may be used for residential purposes in accordance with the applicable bylaws of the City. The Purchaser acknowledges and agrees that neither the owners, tenants or users of the Residential Lots nor the Vendor will be liable or responsible for any inconvenience, nuisance, expense, cost, injury, damage, loss or disturbance to the Development or any portion thereof or to the owners or occupants from time to time of the Development or the Strata Corporation arising from, in connection with or incidental to the use and operation of the Residential Lots so that neither the owners or occupants of the Development nor the Strata Corporation will have any right of action at law or in equity against the owners, tenants or users of the Residential Lots or the Vendor in respect thereof;
- (e) in the event of any discrepancy between the strata lot number and suite number set out on page 1 of this Contract, the Strata Lot is the strata lot labelled on the Preliminary Plan with the strata lot number set out on page 1 of this Contract, as the same may change as contemplated in subsection 11(b);
- (f) the parking stalls in the Development, including any parking stall(s) to which the Purchaser is entitled hereunder, if any, will vary in size, shape and convenience of location, and the parking stalls in the Development, including any parking stall(s) to which the Purchaser is entitled hereunder, if any, may be partially obstructed by columns, pipes, ducts, mechanical equipment, electrical equipment and other facilities, and the Purchaser will accept any parking stall(s) to which the Purchaser is entitled hereunder, if any, on an "as is, where is" basis and will have no claim against the Vendor in respect of any variation in the size, shape or convenience of location of such parking stall(s) or any partial obstruction of such parking stall(s);
- (g) the Purchaser will not be entitled to a storage locker within the Development;
- (h) the Strata Lot forms a part of a phased development and the Purchaser understands and accepts that the Purchaser may be inconvenienced by ongoing construction activities relating to other phase(s) of the Development which may, from time to time, result in noise, vibrations, odours, dirt, dust and such other irritants that are associated with construction projects similar to the Development; and
- (i) it has read and understood the summary of the legal notations, covenants, easements, statutory rights of way and other encumbrances that are described in subsections 4.3 and 4.4 of the Disclosure Statement.

**12. No Access.** The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot prior to the Completion Date.

Notwithstanding the foregoing, if the Purchaser is a corporation, trust or partnership which is registered for GST purposes and, on or before the Completion Date, the Purchaser provides the Vendor with a certificate as to the GST registered status of the Purchaser containing the Purchaser's GST registration number, the Purchaser will not be required to pay the GST to the Vendor but will be liable for, will self-assess and will remit same directly to CRA. The Purchaser acknowledges that the Vendor will have no obligation to adjust the Purchase Price to credit the Purchaser for any new housing rebate to which the Purchaser might be entitled.

  - (iii) Each proposed party to an assignment agreement must provide the Vendor with the information and records required under REDMA.
- (b) Pursuant to section 20.3(1) of REDMA and section 10.2(2) of the REDMA Regulation, the Vendor hereby gives notice to the Purchaser of the following:
- (i) Before the Vendor consents to the assignment of this Contract, the Vendor will be required to collect information and records under REDMA from each proposed party to an assignment agreement, including personal information, respecting the following:
    - A. the party's identity;
    - B. the party's contact and business information; and
    - C. the terms of the assignment agreement.
  - (ii) Information and records collected by the Vendor must be reported by the Vendor to the administrator designated under the *Property Transfer Tax Act*. The information and records may only be used or disclosed for tax purposes and other purposes authorized by section 20.5 of REDMA, which includes disclosure to the Canada Revenue Agency.

INITIALS	

- (c) Without limiting anything set out in subsections 14(a) or 14(b), prior to the Vendor consenting to any assignment of this Contract, the Purchaser will cause each proposed party to an assignment agreement to give to the Vendor all information and records prescribed pursuant to section 20.3(2) of REDMA and/or section 10.3 of the REDMA Regulation (collectively, the **"Prescribed Information and Records"**).
- (d) If the Vendor consents to any assignment of this Contract, the Purchaser will cause the parties to the assignment agreement to forthwith deliver to the Vendor a copy of the written and signed assignment agreement, and the Purchaser acknowledges and agrees that the Vendor may keep and use such copy of the assignment agreement for such purposes as may be required or permitted under REDMA or the REDMA Regulation.

The Purchaser acknowledges that REDMA may be amended from time to time to modify the obligations and requirements, or to impose additional obligations and requirements, of the Vendor and/or the Purchaser with respect to assignments of purchase contracts, and the Purchaser covenants and agrees to comply with all such obligations and requirements and to cooperate with the Vendor and promptly comply with all requests of the Vendor in relation to such obligations and requirements.
- (g) For greater certainty, and notwithstanding anything else in this section 14 the notices, terms and conditions in this section 14 do not: (i) constitute consent by the Vendor to any assignment of this Contract; (ii) obligate the Vendor to consent to any assignment of this Contract; or (iii) derogate from, diminish, limit, amend or affect the Vendor's right to arbitrarily withhold its consent to any assignment of this Contract in the Vendor's sole and unfettered discretion pursuant to section 15 of this Contract. Accordingly, the Purchaser should not enter into this Contract with any expectation of, on reliance upon, the Purchaser's ability to assign this Contract in the future.

- (c) As a condition for agreeing to an assignment of the Purchaser's interest in the Strata Lot or in this Contract and for any associated legal and administrative costs, the Vendor may, at its sole option, charge the Purchaser an administration fee equal to 2% of the aggregate of:
  - (i) an amount equal to any consideration paid by the assignee to the Purchaser in relation to the assignment plus applicable taxes thereon; and

After entering into this Lease and completing construction of Phase 1 of the Development, the Landlord proposes to subdivide the Lands by the registration of a phased strata plan (the "**Strata Plan**") in respect of the Lands pursuant to the *Strata Property Act* (British Columbia) (the "**SPA**");
- E. As the Strata Plan with respect to each Phase is deposited for registration, the portion of Parking Facility (as defined below) located within each such Phase will be designated as common property of the strata corporation (the "**Strata Corporation**") formed upon the deposit of the Phase 1 Strata Plan in the Land Title Office;
- F. The bylaws of the Strata Corporation will provide, among other things, that the residential strata lots (the "**Residential Lots**") in the Development will form a separate section within the Strata Corporation (the "**Residential Section**");
- G. As part of the Development, the Landlord will be constructing a one-level concrete underground parking facility (the "**Underground Parkade**") and a surface level parking lot (the "**Surface Parking Lot**", and together with the Underground Parkade, the "**Parking Facility**"), portions of which will be located in each of Phase 1 and Phase 2;
- H. The Landlord has agreed to lease to the Tenant:
- (a) all of those parking stalls (the "**Stalls**") denoted as "Residential Parking Stalls" on the Parking/Storage Plan (as defined below) and the associated drive aisles which are to be constructed within, and upon, the Parking Facility; and
  - (b) all of the storage lockers (the "**Lockers**") located within the storage rooms to be constructed on the first floor of the buildings in the Development,
- which are generally shown outlined in heavy black line on the parking/storage plan (the "**Parking/Storage Plan**"), a reduced copy of which is attached hereto as Schedule A, all on the terms and conditions set out in this Lease and with the right of the Tenant to grant partial assignments of this Lease pertaining to particular Stalls and Lockers; and
- I. Each of the parties to this Lease agrees that title to the common property of the Strata Corporation will be subject to and encumbered by this Lease.

**NOW THEREFORE** in consideration of these premises and the sum of \$10.00 of lawful money of Canada now paid by the Tenant to the Landlord, the receipt and sufficiency of which are hereby acknowledged by the Landlord, and in consideration of the mutual promises and agreements set forth in this Lease, the parties agree each with the other as follows:

**ARTICLE 1**  
**GRANT AND TERM**

1.01           **Grant.**

The Landlord hereby leases to the Tenant for the Term (as defined in section 1.02) all of the Stalls and Lockers on the terms and conditions set out in this Lease.

1.02           **Term.**

The term (the “**Term**”) of this Lease will commence on the date first written above (the “**Commencement Date**”) and will terminate on the earlier of: (i) the date that the Strata Corporation is dissolved; and (ii) the date which is 999 years after the Commencement Date.

For the purposes of this provision, the amalgamation of the Strata Corporation with another strata corporation will not be considered a dissolution of the Strata Corporation.

1.03           **Rent.**

The parties to this Lease acknowledge that, subject to section 1.05, the sum of \$10.00 now paid by the Tenant to the Landlord will be the only payment required to be paid to the Landlord by either the Tenant or any assignee of a partial assignment under this Lease for the use and enjoyment of a Stall and/or a Locker.

1.04           **Licence.**

The Landlord agrees that the Tenant and any assignee (including an assignee of a partial assignment under this Lease in respect of any Stall or Locker) may at all times, in common with the Landlord and all other persons now or hereafter having the express or implied permission of the Landlord or having a similar right, enter upon and pass over any part of the Lands designated as drive aisles, driveways, ramps, roadways, stairways, elevators or walkways for the purpose of obtaining access to or egress from the Parking Facility or a particular Stall or Locker, provided that the operation of vehicles will be restricted to drive aisles, driveways, ramps and roadways and access by foot will be restricted to pedestrian walkways, stairways and elevators. The Landlord will at all times provide the Tenant, in its capacity as the tenant under this Lease and any assignee (including an assignee of a partial assignment under this Lease in respect of any Stall or Locker), with means of access to any security devices as necessary to enable the Tenant and subsequent assignees to use and enjoy the Stall or Locker to which the Tenant or subsequent assignees are entitled.

1.05           **Acknowledgement**

Notwithstanding any other provision of this Lease:

- (a) 0929468 B.C. Ltd. (the “**Original Landlord**”) may enter into agreements with the purchasers of Residential Lots within the Development whereby the Original Landlord will agree to provide one or more Stalls and/or Lockers to such purchasers in exchange for the payment of certain amounts agreed to by the Original Landlord and such purchasers, and that such amounts will be paid to, and be the absolute property of, the Original Landlord; and
- (b) the Tenant will, as and when directed to do so by the Original Landlord, grant partial assignments of this Lease, in respect of such Stalls and/or Lockers as

may be designated by the Original Landlord, to the purchasers of Residential Lots within the Development in exchange for the payment of certain amounts agreed to by the Original Landlord and such purchasers, and that such amounts will be paid to, and be the absolute property of, the Original Landlord.

This provision will not in any manner be construed or interpreted as giving the Strata Corporation, as assignee of the Landlord pursuant to an assignment of this Lease by the Landlord and an assumption of this Lease by the Strata Corporation, the right to cause or direct the Tenant to grant partial assignments in respect of any Stall and/or Locker, and, for greater certainty, the Strata Corporation, cannot so cause or direct the Tenant to grant any such assignments.

## **ARTICLE 2**

### **SUBDIVISION BY STRATA PLAN**

#### **2.01      Strata Plan/Assumption by Strata Corporation.**

This Lease and the covenants and obligations of the Landlord under this Lease run with and bind the Lands and, upon the subdivision of the Lands by means of the Strata Plan, such covenants and obligations will continue to run with and bind each subdivided parcel forming part of the Development which contains a portion of the Parking Facility.

Upon the deposit of the Phase 1 Strata Plan in the Land Title Office, the Landlord will cause the Strata Corporation to enter into an agreement, in a form reasonably required by the Landlord, pursuant to which the Landlord will assign to the Strata Corporation all of its right, title and benefit hereunder, and the Strata Corporation will assume all of the covenants and obligations of the Landlord under this Lease, as the representative of the owners of the strata lots within the Development, provided however that the assignment and assumption will be suspended insofar as this Lease applies to Stalls and Lockers within Phase 2 until, and conditional upon, the deposit of the Phase 2 Strata Plan.

The assumption agreement will also provide that, upon execution thereof, the Landlord will be absolutely released from any obligations or liabilities hereunder and no longer entitled to the benefit of any rights hereunder, provided however that such release and cessation of rights will not be effective insofar as this Lease applies to Stalls and Lockers within Phase 2 until, and conditional upon, the deposit of the Phase 2 Strata Plan.

For greater certainty, and notwithstanding the foregoing, the Original Landlord will remain entitled to its rights under section 1.05 at all times and such rights will not be assigned to the Strata Corporation at any time.

#### **2.02      Common Property.**

This Lease is intended to apply only to a portion of the common property (including limited common property) which will be created upon the deposit for registration of the Strata Plan and not at any time to burden the title to any individual Residential Lot. Both of the parties to this Lease agree that title to the common property of the Strata Corporation will be subject to and encumbered by this Lease.

**ARTICLE 3**  
**MAINTENANCE AND ENCUMBRANCES**

**3.01            Maintenance.**

The Landlord and the Tenant acknowledge and agree that, until the deposit for registration of the Phase 1 Strata Plan, the Landlord will be solely responsible, subject to the terms of this Lease, for the control, management and administration of the Stalls and Lockers but thereafter, pursuant to section 2.01 of this Lease, the Strata Corporation will, subject always to the Landlord's rights under section 1.05 of this Lease, assume full responsibility for the control, management, administration, maintenance and repair of the Stalls and Lockers as common property and/or limited common property in accordance with the provisions of the SPA and the bylaws of the Strata Corporation, as the case may be, and may pass bylaws or make rules and regulations with respect to the Stalls and Lockers as long as such bylaws, rules or regulations do not materially interfere with the rights of the Tenant or any subsequent assignee under this Lease (including the right of the Tenant to partially assign this Lease as it relates to particular Stalls and Lockers) and apply equally to the Tenant and all assignees hereunder.

Notwithstanding the foregoing, in accordance with section 2.01 of this Lease, the Landlord and the Tenant agree that the assumption by the Strata Corporation of responsibility for the control, management, administration, maintenance and repair of the Stalls and Lockers located in Phase 2 is postponed and conditional until such time as the Phase 2 Strata Plan is deposited at the Land Title Office.

**3.02            Alterations.**

The Tenant and its successors and permitted assigns are not entitled to alter, or to perform any repairs of any sort whatsoever to, the Stalls or the Lockers. Any such alterations or repairs with respect to the Stalls or the Lockers located in each Phase of the Development are the sole responsibility of the Landlord prior to the registration of the Strata Plan for such Phase in the Land Title Office, and thereafter the sole responsibility of the Strata Corporation, it being acknowledged and agreed that the Strata Corporation, not the Landlord, will be responsible for alterations or repairs in respect of the Stalls and Lockers located in a Phase immediately upon the deposit for registration of the Strata Plan for such Phase.

**3.03            Subordination.**

The Tenant agrees to subordinate its interest pursuant to this Lease to any financial encumbrance registered by the Landlord against title to the Lands.

**3.04            No Right to Encumber.**

Neither the Tenant nor any subsequent assignee of any interest of the Tenant under this Lease will mortgage, charge, pledge or otherwise grant their interest in any Stall or Locker as security to any person.

**3.05            Appointment of Residential Section**

Notwithstanding anything contained herein to the contrary, the Strata Corporation may appoint the Residential Section as its agent with full authority to administer and manage this Lease and, in the event of, and following, such appointment, the Residential Section will be responsible for all costs associated with carrying out the obligations of the Strata Corporation under this Lease, including without limitation all maintenance and alteration costs.

## **ARTICLE 4** **ASSIGNMENT**

### **4.01      Partial Assignments.**

The Tenant may partially assign this Lease and its rights under this Lease pertaining to one or more particular Stalls and/or Lockers to: (i) a purchaser or owner of a Residential Lot; (ii) the Tenant if the assignor is a person other than the Tenant; (iii) the Strata Corporation; or (iv) the Residential Section (each, a “**Permitted Assignee**”). Subject always to section 1.05, any such assignment will be for such consideration as the assignor or assignee may determine, which consideration may be retained by the assignor for its own benefit. Any partial assignment by the Tenant, or by any subsequent assignee, of this Lease and its rights under this Lease pertaining to a particular Stall or Locker:

- (a) will be absolute, and the assignee and its guests, lessees, successors and permitted assigns will be entitled to the use and enjoyment of the Stall and/or Locker so assigned for the balance of the Term;
- (b) will be an assignment of rights to which an assignee will only be entitled for so long as such assignee owns a Residential Lot, unless the assignment is to the Tenant where the assignor is a person other than the Tenant, to the Strata Corporation or to the Residential Section;
- (c) may only be assigned to a Permitted Assignee; and
- (d) will not be effective until written notice of such assignment (together with a copy of such assignment if available) is delivered by the assignee to the Strata Corporation or the Residential Section, subject to section 4.02 of this Lease.

### **4.02      Automatic Assignment.**

If a holder of an interest in a Stall and/or Locker transfers all of his or her interest in a Residential Lot to which such Stall and/or Locker is at such time appurtenant as shown on the register maintained under section 4.09 without concurrently executing an assignment of such Stall and/or Locker to another owner or purchaser of a Residential Lot, then the interest of such holder in such Stall and/or Locker will be deemed to have been automatically assigned to and assumed by the purchaser of such Residential Lot without execution of a partial assignment of this Lease with respect to such Stall and/or Locker or delivery of notice of such partial assignment to the Strata Corporation or the Residential Section.

Notwithstanding the foregoing, this section 4.02 and the automatic assignment contemplated herein will not apply where the holder of the interest in the applicable Stall or Locker is a Developer Company (as defined in section 4.10).

### **4.03      Exchanges and Transfers.**

- (a) Exchanges. A holder of an interest (the “**First Owner**” in this subsection) in a Stall and/or Locker (the “**First Stall/Locker**” in this subsection) may exchange his or her interest in the First Stall/Locker with the holder (including the Tenant) of an interest (the “**Second Owner**” in this subsection) in a different Stall/Locker (the “**Second Stall/Locker**” in this subsection) for such consideration as the First Owner and the Second Owner may agree. Such an exchange will be accomplished by the First Owner partially assigning this Lease to the Second

Owner in respect of the First Stall/Locker, and the Second Owner partially assigning this Lease to the First Owner in respect of the Second Stall/Locker. The First Owner and the Second Owner will each execute a partial assignment of this Lease in favour of the other substantially in the form attached hereto as Schedule B. The exchange will be on the terms set out in subsections 4.01(a) to (c) and will not be effective until written notice of each assignment (together with a copy of each assignment) is delivered to the Strata Corporation or the Residential Section.

- (b) Transfers. A holder of an interest (the “**First Owner**” in this subsection) in a Stall and/or Locker may transfer his or her interest in such Stall and/or Locker to a Permitted Assignee (the “**Second Owner**” in this subsection) for such consideration as the First Owner may in his or her discretion determine. Such a transfer will be accomplished by the First Owner partially assigning this Lease to the Second Owner and, in connection therewith, the First Owner will execute a partial assignment in favour of the Second Owner substantially in the form attached hereto as Schedule B. The transfer will be on the terms set out in subsections 4.01(a) to (d).

#### 4.04

##### **EV Stall Reallocation.**

- (a) In this section 4.04: (i) “**Qualified Owner**” means an owner of a Residential Lot who resides in such Residential Lot and who has, or whose spouse, dependent child or tenant resides in such Residential Lot and has, an electric vehicle; and (ii) “**Non-Qualified Owner**” means an owner of a Residential Lot who is not a Qualified Owner.
- (b) Certain of the Stalls (the “**EV Stalls**”) configured with an operational electric outlet and an electric service connection conduit to enable activation of an electric vehicle plug-in charger (an “**EV Plug-in Charger**”) for electric vehicle charging. If a Qualified Owner is the holder of an interest in a Stall (a “**Non-EV Stall**”) that is not an EV Stall, then the Qualified Owner may make a written request that the Strata Corporation exchange the Qualified Owner’s Non-EV Stall for an EV Stall. Upon receipt by the Strata Corporation of a written request for such an exchange from a Qualified Owner, the Strata Corporation will require, within sixty days of receipt of the written request from the Qualified Owner, that a Non-Qualified Owner who is the holder of an interest in an EV Stall (if any and to be selected by the Strata Corporation in its sole discretion if there is more than one such Non-Qualified Owner) exchange his or her interest in the EV Stall with the Qualified Owner for his or her interest in the Non-EV Stall for no consideration. Such an exchange will be accomplished by the Non-Qualified Owner partially assigning this Lease to the Qualified Owner in respect of the EV Stall, and the Qualified Owner partially assigning this Lease to the Non-Qualified Owner in respect of the Non-EV Stall. The Non-Qualified Owner and the Qualified Owner will each execute a partial assignment of this Lease in favour of the other substantially in the form attached hereto as Exhibit A, and the Strata Corporation is hereby granted a power of attorney to execute such partial assignment on behalf of the Non-Qualified Owner to effect such transfer. An exchange pursuant to this section 4.04 will be on the terms set out in subsections 4.01(a) to (d).
- (c) For clarity, a Stall is deemed to be an EV Stall for the purposes of this Lease if: (i) an electrical outlet is within such Stall or immediately adjacent thereto; (ii) it is

labelled on the Parking/Storage Plan as being an EV Stall; or (iii) it is otherwise designated by the developer of the Development as being an EV Stall.

- (d) Notwithstanding anything to the contrary contained in this Lease, this section 4.04 and the exchange mechanism contained herein will not apply to any EV Stall held by a Developer Company.

#### 4.05 **Disabled Stalls Re-Allocation**

- (a) In this section 4.05: (i) **“Qualified Owner”** means an owner of a Residential Lot within the Development who resides in such Residential Lot and who has been issued, or in the case of an owner who is a natural person, whose spouse or dependent child resides in such Residential Lot and has been issued, or whose (whether or not such owner is a natural person) tenant resides in such Residential Lot and has been issued, a valid parking permit for people with disabilities from the Social Planning and Research Council of British Columbia (or a disabled person’s parking permit otherwise issued in accordance with the *Motor Vehicle Act* (British Columbia)); and (ii) **“Non-Qualified Owner”** means an owner of a Residential Lot who is not a Qualified Owner.
- (b) Five (5) of the Stalls (the **“Disabled Stalls”**) will be designed and constructed in accordance with the applicable bylaws of the City of Revelstoke (the **“City”**) to accommodate vehicles driven by individuals who have a loss, or a reduction, of functional ability and activity (including a person in a wheelchair and a person with a sensory disability).
- (c) If a Qualified Owner is the holder of an interest in a Stall (a **“Non-Disabled Stall”**) that is not a Disabled Stall, then the Qualified Owner may make a written request that the Strata Corporation exchange the Qualified Owner’s Non-Disabled Stall for a Disabled Stall. Upon receipt by the Strata Corporation of a written request for such an exchange from a Qualified Owner, the Strata Corporation will require that a Non-Qualified Owner who is the holder of an interest in a Disabled Stall (to the extent that any is available and to be selected by the Strata Corporation, in each case, at the sole discretion of the Strata Corporation, if there is more than one such Non-Qualified Owner) exchange his or her interest in the Disabled Stall with the Qualified Owner for his or her interest in the Non-Disabled Stall for no consideration. Such an exchange will be accomplished by the Non-Qualified Owner partially assigning this Lease to the Qualified Owner in respect of the Disabled Stall, and the Qualified Owner partially assigning this Lease to the Non-Qualified Owner in respect of the Non-Disabled Stall. The Non-Qualified Owner and the Qualified Owner will each execute a partial assignment of this Lease in favour of the other substantially in the form attached hereto as Schedule B, and the Strata Corporation is hereby granted a power of attorney to execute such partial assignment on behalf of the Non-Qualified Owner to effect such transfer. Any exchange pursuant to this section 4.05 will be on the terms set out in subsections 4.01(a) to (d), provided however that, if the Strata Corporation executes a partial assignment on behalf of the Non-Qualified Owner to effect such transfer pursuant to the foregoing power of attorney, such transfer will be effective upon execution of the partial assignment by the Strata Corporation and the Qualified Owner and the Strata Corporation, as the case may be, may make and retain a copy of such partial assignment.

- (d) For clarity, a Stall is deemed to be a Disabled Stall for the purposes of this Lease if: (i) it is labelled on the Parking/Storage Plan as being a Disabled Stall; or (ii) it is otherwise designated by the developer of the Development as being a Disabled Stalls.
- (e) Notwithstanding anything to the contrary contained in this Lease, this section 4.05 and the exchange mechanisms contained herein will not apply to any Disabled Stall held by a Developer Company.

4.06 **Consents.**

The consent of the Strata Corporation or the Residential Section will not be required for any partial assignment of this Lease. Neither the Strata Corporation nor the Residential Section will interfere with or attempt to interrupt or terminate the rights of an assignee under any such assignment except as expressly agreed by such assignee.

4.07 **Form of Partial Assignments.**

Subject to section 4.02, all partial assignments of this Lease will be substantially in the form attached hereto as Schedule B.

4.08 **Release of Assignors.**

Upon the partial assignment (including an automatic assignment pursuant to section 4.02) of this Lease pertaining to a particular Stall and/or Locker, the Tenant and any subsequent assignor of an interest in such Stall and/or Locker will be automatically and absolutely released from any obligations or liabilities under this Lease pertaining to such Stall and/or Locker.

4.09 **Register of Partial Assignments.**

Landlord and, upon assumption by the Strata Corporation of this Lease, the Strata Corporation or the Residential Section will maintain a register of all Stalls and Lockers and will record on such register each partial assignment of this Lease, indicating:

- (a) the number of the Stall and/or Locker assigned;
- (b) the date of assignment;
- (c) the name and address of the assignee; and
- (d) the number of the Residential Lot owned by the assignee to which such Stall and/or Locker is at the time appurtenant, unless the assignee is the Strata Corporation, the Residential Section or the Tenant, in which event the Stall and/or Locker need not be appurtenant to a Residential Lot.

Upon request by any owner or prospective purchaser of a Residential Lot, the Strata Corporation or the Residential Section will provide a certificate, within seven days after receipt of such request, certifying the name and address of the owner to whom a particular Stall and/or Locker is assigned and the number of the Residential Lot to which such Stall and/or Locker is at the time appurtenant. The Strata Corporation or the Residential Section may require a fee of not more than \$10.00, or a greater amount reasonably prescribed by the bylaws of the Strata Corporation, from the person requesting such certificate. Upon the Strata Corporation or the Residential Section becoming aware of a partial assignment pertaining to a particular Stall

and/or Locker under section 4.01, 4.02, 4.03, 4.04 or 4.05 the Strata Corporation will amend the register accordingly.

4.10            **Assignment by the Tenant.**

Upon the deposit of the Strata Plan in the Land Title Office and the assumption of the Landlord's interest in this lease by the Strata Corporation, the Tenant may assign some or all of its rights under this lease to 0929468 (as defined below), as tenant, without the consent of the Strata Corporation or the Residential Section, provided that 0929468 assumes, in writing, the covenants and obligations of the Tenant under this Lease and, upon execution thereof, the Tenant will be absolutely released from any obligations or liabilities hereunder and no longer entitled to the benefit of any rights hereunder and 0929468 will be entitled to enjoy and exercise all of the rights of the Tenant hereunder.

In this Lease: (i) "**0929468**" means 0929468 B.C. Ltd.; (ii) "**ParkingCo**" means Mackenzie Plaza Parking Co. Ltd.; and (iii) "**Developer Company**" means 0929468 or ParkingCo.

**ARTICLE 5**  
**MISCELLANEOUS**

5.01            **Excluded Parking Stalls.**

Notwithstanding anything contained herein to the contrary, the following parking stalls are not subject to or encumbered by this Lease:

- (a)      the four parking stalls reserved by the developer of the Development for the parking for car-share vehicles, all of which are located within the portion of the Surface Parking Lot located in Phase 1 and not shown outlined in bold on the Parking/Storage Plan; and
- (b)      those parking stalls denoted as "Commercial Parking Stalls on the Parking/Storage Plan.

5.02            **No Registration.**

No partial assignment hereof will be registered by any assignee in any land title office.

5.03            **Severability.**

If any provision or a portion of a provision of this Lease is found to be illegal or unenforceable, then such provision or portion will be severed from this Lease and this Lease will be deemed to be so amended, and this Lease will continue in full force and effect subject only to such amendment.

5.04            **Definitions.**

Any term defined in the recitals to this Lease will have the same meaning throughout this Lease unless otherwise redefined.

5.05            **Meaning of “Person”.**

In this Lease, “person” means an individual, corporation, body corporate or unincorporated organization or any trustee, executor, administrator or other legal representative.

5.06            **Form of Agreement.**

Each of the parties hereto agrees to amend the form of this Lease to meet the requirements of the Registrar of the Land Title Office or of any governmental or public authority or as otherwise necessary to confirm unto the parties the rights granted in this Lease.

**RE:** Parking stall(s) No(s). \_\_\_\_\_ (the “**Parking Stall(s)**”) and/or EV Stall(s) No.(s) \_\_\_\_\_ and/or Disabled Stall No.(s) \_\_\_\_\_ (the EV Stall(s), the Disabled Stall and the Parking Stall(s) are collectively referred to herein as the “**Stall(s)**”) and/or storage locker(s) No(s). \_\_\_\_\_ (the “**Locker(s)**”) as shown on the plan attached to the residential parking and storage lease (the “**Lease**”) dated January •, 2021 made between 0929468 B.C. Ltd., as lessor, and Mackenzie Plaza Parking Co. Ltd., as lessee, as subsequently assigned

**WHEREAS** the Assignor is the lessee of the Stall(s) and/or Locker(s) and the Assignee is one of the following: (a) The Owners, Strata Plan \_\_\_\_\_ (the “**Strata Corporation**”); (b) Section 2 of The Owners, Strata Plan \_\_\_\_\_ (the “**Residential Section**”); (c) 0929468 B.C. In consideration of the covenants and agreements set forth in this Assignment, the parties agree with each other as follows:

1. Assignment.

The Assignor hereby assigns to the Assignee its partial interest in the Lease pertaining to the exclusive right to lease the Stall(s) and/or the Locker(s), and including the right of access set out in section 1.04 of the Lease, for the balance of the Term (as defined in the Lease). Subject to section 4.02 of the Lease, this Assignment will not be effective until the Assignee has given a copy of this Assignment to the Strata Corporation.

2. Assignment Contingent Upon Residential Lot Ownership.

Unless the Assignee is the Strata Corporation, the Residential Section or the Tenant, the Assignee, its successors, permitted assigns, heirs, executors or administrators will only be entitled to the rights with respect to the Stall(s) and/or the Locker(s) for as long as the Assignee

3. Compliance.

The Assignee agrees to use and deal with the Stall(s) and/or the Locker(s) in accordance with the Lease and with the bylaws, rules and regulations of the Strata Corporation, but only to the extent such bylaws, rules and regulations do not materially interfere with the Assignee's rights under the Lease and this Assignment.

4. Sale or Disposition.

The Assignee may only assign its rights under this Assignment, and may only allow anyone else to use the Stall(s) and/or Locker(s), in accordance with the Lease.

(the "**Landlord**")

**AND:**

**MACKENZIE PLAZA PARKING CO. LTD.**

Suite 2800 – 1285 West Georgia Street  
Vancouver, B.C.  
V6B 4N7

(the "**Tenant**")

**WITNESSES THAT WHEREAS:**

- A. The Landlord is the registered and beneficial owner of certain lands and premises located in Revelstoke, British Columbia, and currently legally described as:
- Lot A  
Section 23  
Township 23  
Range 2 West of the 6th Meridian  
Kootenay District  
Plan EPP98511
- (the "**Lands**");
- B. The Lands will form part of a two phase ("**Phase 1**" and "**Phase 2**", respectively, individually, a "**Phase**" and collectively, the "**Phases**") mixed-use strata development known as "Mackenzie Plaza" (the "**Development**") to be constructed and developed by the Landlord;
- C. After entering into this Lease and completing construction of Phase 1 of the Development, the Landlord proposes to subdivide the Lands by the registration of a phased strata plan (the "**Strata Plan**") in respect of the Lands pursuant to the *Strata Property Act* (British Columbia) (the "**SPA**");
- D. As the Strata Plan with respect to each Phase is deposited for registration, the portion of Parking Facility (as defined below) located within each such Phase will be designated as common property of the strata corporation (the "**Strata Corporation**") formed upon the deposit of the Phase 1 Strata Plan in the Land Title Office;

- E. The bylaws of the Strata Corporation will provide, among other things, that the commercial strata lots (the “**Commercial Lots**”) in the Development will form a separate section within the Strata Corporation (the “**Commercial Section**”);
- F. As part of the Development, the Landlord will be constructing a one-level concrete underground parking facility (the “**Underground Parkade**”) and a surface level parking lot (the “**Surface Parking Lot**”, and together with the Underground Parkade, the “**Parking Facility**”), portions of which will be located in each of Phase 1 and Phase 2;
- G. The Landlord has agreed to lease to the Tenant all of those parking stalls (the “**Stalls**”) denoted as “Commercial Parking Stalls” on the Parking Plan (as defined below) and the associated drive aisles which are to be constructed within, and upon, the Parking Facility, which Stalls are generally shown outlined in heavy black line on the parking plan (the “**Parking Plan**”), a reduced copy of which is attached hereto as Schedule A, all on the terms and conditions set out in this Lease and with the right of the Tenant to grant partial assignments of this Lease pertaining to particular Stalls and to use and rent such Stalls as described more particularly herein; and
- H. Each of the parties to this Lease agrees that title to the common property of the Strata Corporation will be subject to and encumbered by this Lease.

**NOW THEREFORE** in consideration of these premises and the sum of \$10.00 of lawful money of Canada now paid by the Tenant to the Landlord, the receipt and sufficiency of which are hereby acknowledged by the Landlord, and in consideration of the mutual promises and agreements set forth in this Lease, the parties agree each with the other as follows:

## **ARTICLE 1** **GRANT AND TERM**

### **1.01           Grant.**

The Landlord hereby leases to the Tenant for the Term (as defined in section 1.02) all of the Stalls on the terms and conditions set out in this Lease.

### **1.02           Term.**

The term (the “**Term**”) of this Lease will commence on the date first written above (the “**Commencement Date**”) and will terminate on the earlier of: (i) the date that the Strata Corporation is dissolved; and (ii) the date which is 999 years after the Commencement Date.

For the purposes of this provision, the amalgamation of the Strata Corporation with another strata corporation will not be considered a dissolution of the Strata Corporation.

### **1.03           Rent.**

The parties to this Lease acknowledge that, subject to section 1.05, the sum of \$10.00 now paid by the Tenant to the Landlord will be the only payment required to be paid to the Landlord by either the Tenant or any assignee of a partial assignment under this Lease for the use and enjoyment of a Stall.

1.04      **Licence.**

The Landlord agrees that the Tenant and any assignee (including an assignee of a partial assignment under this Lease in respect of any Stall) may at all times, in common with the Landlord and all other persons now or hereafter having the express or implied permission of the Landlord or having a similar right, enter upon and pass over any part of the Lands designated as drive aisles, driveways, ramps, roadways, stairways or walkways for the purpose of obtaining access to or egress from the Parking Facility or a particular Stall, provided that the operation of vehicles will be restricted to drive aisles, driveways, ramps and roadways and access by foot will be restricted to pedestrian walkways and stairways. The Landlord will at all times provide the Tenant, in its capacity as the tenant under this Lease and any assignee (including an assignee of a partial assignment under this Lease in respect of any Stall), with means of access to any security devices as necessary to enable the Tenant and subsequent assignees to use and enjoy the Stall to which the Tenant or subsequent assignees are entitled.

1.05      **Acknowledgement**

Notwithstanding any other provision of this Lease:

- (a) 0929468 B.C. Ltd. (the "**Original Landlord**") may enter into agreements with the purchasers of Commercial Lots within the Development whereby the Original Landlord will agree to provide one or more Stalls to such purchasers in exchange for the payment of certain amounts agreed to by the Original Landlord and such purchasers, and that such amounts will be paid to, and be the absolute property of, the Original Landlord; and
- (b) the Tenant will, as and when directed to do so by the Original Landlord, grant partial assignments of this Lease, in respect of such Stalls as may be designated by the Original Landlord, to the purchasers of Commercial Lots within the Development in exchange for the payment of certain amounts agreed to by the Original Landlord and such purchasers, and that such amounts will be paid to, and be the absolute property of, the Original Landlord.

This provision will not in any manner be construed or interpreted as giving the Strata Corporation, as assignee of the Landlord pursuant to an assignment of this Lease by the Landlord and an assumption of this Lease by the Strata Corporation, the right to cause or direct the Tenant to grant partial assignments in respect of any Stall, and, for greater certainty, the Strata Corporation, cannot so cause or direct the Tenant to grant any such assignments.

**ARTICLE 2**  
**SUBDIVISION BY STRATA PLAN**

2.01      **Strata Plan/Assumption by Strata Corporation.**

This Lease and the covenants and obligations of the Landlord under this Lease run with and bind the Lands and, upon the subdivision of the Lands by means of the Strata Plan, such covenants and obligations will continue to run with and bind each subdivided parcel forming part of the Development which contains a portion of the Parking Facility.

Upon the deposit of the Phase 1 Strata Plan in the Land Title Office, the Landlord will cause the Strata Corporation to enter into an agreement, in a form reasonably required by the Landlord, pursuant to which the Landlord will assign to the Strata Corporation all of its right, title and

benefit hereunder, and the Strata Corporation will assume all of the covenants and obligations of the Landlord under this Lease, as the representative of the owners of strata lots within the Development, provided however that the assignment and assumption will be suspended insofar as this Lease applies to Stalls within Phase 2 until, and conditional upon, the deposit of the Phase 2 Strata Plan.

The assumption agreement will also provide that, upon execution thereof, the Landlord will be absolutely released from any obligations or liabilities hereunder and no longer entitled to the benefit of any rights hereunder, provided however that such release and cessation of rights will not be effective insofar as this Lease applies to Stalls within Phase 2 until, and conditional upon, the deposit of the Phase 2 Strata Plan.

For greater certainty, and notwithstanding the foregoing, the Original Landlord will remain entitled to its rights under section 1.05 at all times and such rights will not be assigned to the Strata Corporation at any time.

## **2.02            Common Property.**

This Lease is intended to apply only to a portion of the common property (including limited common property) which will be created upon the deposit for registration of the Strata Plan and not at any time to burden the title to any individual Commercial Lot. Both of the parties to this Lease agree that title to the common property of the Strata Corporation will be subject to and encumbered by this Lease.

# **ARTICLE 3** **MAINTENANCE AND ENCUMBRANCES**

## **3.01            Maintenance.**

The Landlord and the Tenant acknowledge and agree that, until the deposit for registration of the Phase 1 Strata Plan, the Landlord will be solely responsible, subject to the terms of this Lease, for the control, management and administration of the Stalls. Upon the deposit of the Phase 1 Strata Plan in the Land Title Office, the Landlord will cause the Commercial Section to enter into an agreement, in a form reasonably required by the Landlord, pursuant to which the Commercial Section will, subject always to the Landlord's rights under section 1.05 of this Lease, assume full responsibility for the control, management, administration, maintenance and repair of the Stalls as common property and/or limited common property in accordance with the provisions of the SPA and the bylaws of the Strata Corporation, as the case may be. The Commercial Section may pass bylaws or make rules and regulations with respect to the Stalls as long as such bylaws, rules or regulations do not materially interfere with the rights of the Tenant or its permittees or invitees or any subsequent assignee under this Lease (including the right of the Tenant to partially assign this Lease as it relates to particular Stalls) and apply equally to the Tenant and all assignees hereunder.

Notwithstanding the foregoing, the Landlord and the Tenant agree that the assumption by the Commercial Section of responsibility for the control, management, administration, maintenance and repair of the Stalls located in Phase 2 is postponed and conditional until such time as the Phase 2 Strata Plan is deposited at the Land Title Office.

3.02            **Alterations.**

The Tenant and its successors and permitted assigns may make such alterations and modifications to the Stalls, and install, construct, operate, modify, repair, maintain, clean, replace or remove such equipment, fixtures, signage, improvements and other works (including power and other utilities, services and telecommunication connections) within or adjacent to the Stalls, as the Tenant deems necessary or desirable, including, without limitation, installing wayfinding signage, parking meters and payment machines.

Notwithstanding the foregoing, the Landlord and the Tenant agree that the right of the Tenant to alter or modify the Stalls located in Phase 2 is postponed and conditional until such time as the Phase 2 Strata Plan is deposited at the Land Title Office.

3.03            **Subordination.**

The Tenant agrees to subordinate its interest pursuant to this Lease to any financial encumbrance registered by the Landlord against title to the Lands.

3.04            **No Right to Encumber.**

Neither the Tenant nor any subsequent assignee of any interest of the Tenant under this Lease will mortgage, charge, pledge or otherwise grant their interest in any Stall as security to any person.

**ARTICLE 4**  
**ASSIGNMENT**

4.01            **Partial Assignments.**

The Tenant may partially assign this Lease and its rights under this Lease pertaining to one or more particular Stalls to: (i) a purchaser or owner of a Commercial Lot; (ii) the Tenant if the assignor is a person other than the Tenant; (iii) the Strata Corporation; or (iv) the Commercial Section (each, a “**Permitted Assignee**”). Subject always to section 1.05, any such assignment will be for such consideration as the assignor or assignee may determine, which consideration may be retained by the assignor for its own benefit. Any partial assignment by the Tenant, or by any subsequent assignee, of this Lease and its rights under this Lease pertaining to a particular Stall:

- (a) will be absolute, and the assignee and its guests, lessees, successors and permitted assigns will be entitled to the use and enjoyment of the Stall so assigned for the balance of the Term;
- (b) will be an assignment of rights to which an assignee will only be entitled for so long as such assignee owns a Commercial Lot, unless the assignment is to the Tenant where the assignor is a person other than the Tenant, to the Strata Corporation or to the Commercial Section;
- (c) may only be assigned to a Permitted Assignee; and
- (d) will not be effective until written notice of such assignment (together with a copy of such assignment if available) is delivered by the assignee to the Strata Corporation or the Commercial Section, subject to section 4.02 of this Lease.

#### 4.02 **Automatic Assignment.**

If a holder of an interest in a Stall transfers all of his or her interest in a Commercial Lot to which such Stall is at such time appurtenant as shown on the register maintained under section 4.07 without concurrently executing an assignment of such Stall to another owner or purchaser of a Commercial Lot, then the interest of such holder in such Stall will be deemed to have been automatically assigned to and assumed by the purchaser of such Commercial Lot without execution of a partial assignment of this Lease with respect to such Stall or delivery of notice of such partial assignment to the Strata Corporation or the Commercial Section.

Notwithstanding the foregoing, this section 4.02 and the automatic assignment contemplated herein will not apply where the holder of the interest in the applicable Stall is a Developer Company (as defined in section 4.08) or the Commercial Section.

#### 4.03 **Exchanges and Transfers.**

- (a) **Exchanges.** A holder of an interest (the “**First Owner**” in this subsection) in a Stall (the “**First Stall**” in this subsection) may exchange his or her interest in the First Stall with the holder (including the Tenant) of an interest (the “**Second Owner**” in this subsection) in a different Stall (the “**Second Stall**” in this subsection) for such consideration as the First Owner and the Second Owner may agree. Such an exchange will be accomplished by the First Owner partially assigning this Lease to the Second Owner in respect of the First Stall, and the Second Owner partially assigning this Lease to the First Owner in respect of the Second Stall. The First Owner and the Second Owner will each execute a partial assignment of this Lease in favour of the other substantially in the form attached hereto as Schedule B. The exchange will be on the terms set out in subsections 4.01(a) to (c) and will not be effective until written notice of each assignment (together with a copy of each assignment) is delivered to the Strata Corporation or the Commercial Section.
- (b) **Transfers.** A holder of an interest (the “**First Owner**” in this subsection) in a Stall may transfer his or her interest in such Stall to a Permitted Assignee (the “**Second Owner**” in this subsection) for such consideration as the First Owner may in his or her discretion determine. Such a transfer will be accomplished by the First Owner partially assigning this Lease to the Second Owner and, in connection therewith, the First Owner will execute a partial assignment in favour of the Second Owner substantially in the form attached hereto as Schedule B. The transfer will be on the terms set out in subsections 4.01(a) to (b).

#### 4.04 **Consents.**

The consent of the Landlord or the Strata Corporation will not be required for any partial assignment of this Lease. Neither the Landlord nor the Strata Corporation will interfere with or attempt to interrupt or terminate the rights of an assignee under any such assignment except as expressly agreed by such assignee.

#### 4.05 **Form of Partial Assignments.**

Subject to section 4.02, all partial assignments of this Lease will be substantially in the form attached hereto as Schedule B.

#### 4.06 **Release of Assignors.**

Upon the partial assignment (including an automatic assignment pursuant to section 4.02) of this Lease pertaining to a particular Stall, the Tenant and any subsequent assignor of an interest in such Stall will be automatically and absolutely released from any obligations or liabilities under this Lease pertaining to such Stall.

#### 4.07 **Register of Partial Assignments.**

the Landlord and, upon assumption by the Strata Corporation of this Lease, the Strata Corporation or the Commercial Section will maintain a register of all Stalls and will record on such register each partial assignment of this Lease, indicating:

- (a) the number of the Stall assigned;
- (b) the date of assignment;
- (c) the name and address of the assignee; and
- (d) the number of the Commercial Lot owned by the assignee to which such Stall is at the time appurtenant, unless the assignee is the Strata Corporation, the Commercial Section or the Tenant in which event the Stall need not be appurtenant to a Commercial Lot.

Upon request by any owner or prospective purchaser of a Commercial Lot, the Strata Corporation or the Commercial Section will provide a certificate, within seven days after receipt of such request, certifying the name and address of the owner to whom a particular Stall is assigned and the number of the Commercial Lot to which such Stall is at the time appurtenant. The Strata Corporation or the Commercial Section may require a fee of not more than \$10.00, or a greater amount reasonably prescribed by the bylaws of the Strata Corporation, from the person requesting such certificate. Upon the Strata Corporation or the Commercial Section becoming aware of a partial assignment pertaining to a particular Stall under section 4.01, 4.02, 4.03 or 4.04 the Strata Corporation will amend the register accordingly.

#### 4.08 **Assignment by the Tenant.**

Upon the deposit of the Strata Plan in the Land Title Office and the assumption of the Landlord's interest in this lease by the Strata Corporation, the Tenant may assign some or all of its rights under this lease to 0929468 (as defined below), as tenant, without the consent of the Strata Corporation or the Commercial Section, provided that 0929468 assumes, in writing, the covenants and obligations of the Tenant under this Lease and, upon execution thereof, the Tenant will be absolutely released from any obligations or liabilities hereunder and no longer entitled to the benefit of any rights hereunder and 0929468 will be entitled to enjoy and exercise all of the rights of the Tenant hereunder.

In this Lease: (i) "**0929468**" means 0929468 B.C. Ltd.; (ii) "**ParkingCo**" means Mackenzie Plaza Parking Co. Ltd.; and (iii) "**Developer Company**" means 0929468 or ParkingCo.

**ARTICLE 5**  
**MISCELLANEOUS**

5.01           **Excluded Parking Stalls.**

Notwithstanding anything contained herein to the contrary, the following parking stalls are not subject to or encumbered by this Lease:

- (a)     the four parking stalls reserved by the developer of the Development for the parking for car-share vehicles, all of which are located within the portion of the Surface Parking Lot located in Phase 1 and not shown outlined in bold on the Parking Plan;
- (b)     those parking stalls denoted as “Residential Parking Stalls” on the Parking Plan; and
- (c)     those parking stalls denoted as “Visitor Parking Stalls” on the Parking Plan, all of which are located on the Surface Parking Lot;

**No Registration.**

No partial assignment hereof will be registered by any assignee in any land title office.

5.02           **Severability.**

If any provision or a portion of a provision of this Lease is found to be illegal or unenforceable, then such provision or portion will be severed from this Lease and this Lease will be deemed to be so amended, and this Lease will continue in full force and effect subject only to such amendment.

5.03           **Definitions.**

Any term defined in the recitals to this Lease will have the same meaning throughout this Lease unless otherwise redefined.
